Thank you all for helping me with My LOWE family. Grandparents, parents, my brother and me and my children and grand children, 1st-2nd gr grandchildren. I have sent the early Lowe Books and should be at at the library but starting these Books 1-2-3-4-5

Bk 5 will be my father's brothers & sister's line. I started doing genealogy in 1969 and all my grand parents were gone but had other members of their's could get info from. Otherwise I worked at the court house and library and cemeteries to find info that I could.

I with others spent many a week at the Ft. Wayne, library, Salt Lake City library, Madison, WI library and many hours at Columbia, MO library just about every year from when I started. There was 4 of us who went to Iowa City every month during the good weather but now one has moved, one has passed and the other can't get out any longer and no fun to go by your self. So decided it was time to stop. This was before the internet so didn't have that to rely on but was just as well as have found a lot of wrong info on the internet. (I can't say mine is all right either) As much of it was not able to be proven for sure so just had to go by what we could find. But if anyone has proof of what you find is wrong in any of my books I would appreciate knowing it. We know every one is not 100% right as no one is perfect, even in research. New Data June 2017-GLT

So hope these books will be appreciated and enjoyed as much as I had putting them together. But I think now is the time to turn them over to someone else to enjoy as I can't get to the libraries any longer and only the internet to rely on and that isn't as much fun as going to the places where your ancestor's walked themselves.

You will notice different address's but the one above is correct.

Notes

HUSBAND - Charles Lee "Chuck" Treadway
Soc Sec # 358-24-8272

He went by Charlie to his family and his friends and co workers called him Chuck.

Chuck was born in Cass Co. IL on a farm. His parents moved around different places in Cass and Fulton Co's when he was young. He was 14 when his father died and he was the oldest at home so he had to help with the family.

He went into the Army in 1951 and was married first in 1953 and he and his wife traveled thru their 11 years of marriage. She died in 1964. They had no children.

He was stationed at the Rock Island Arsenal at that time. we met thru a mutual friend and married in 1965. We had no children.

Chuck was in Korea shortly after he went into service then was in Viet Nam three times for short periods and then 1 year tour and in Santa Domingo, as well as other places.

He had one tour in Germany and 5 years at Ft Hood, TX before he was married the 2nd time then he was in Germany again for 2 years and Aberdeen, MD 2 years before retiring after 20 years. He had a high classification and secret clearance for many years. A lot of the work he did was highly confidential and he went to several undisclosed places. He was an instructor the first time in Texas and the second tour of Germany also. He was asked to take Warrant Officer while in Germany the last time and knowing he would be going to Viet Nam he decided to go as an officer, which was much better duty. He was in the Armament at the Rock Island Arsenal and traveled for them several places.

He received the Purple Heart and 3 Comendation Medals besides numerous other awards.

After retirement of 20 years in the Army he opened the Treadway Texaco service station in Bettendorf and later had two semi trucks as well.

Then in 1976 he had to have back surgery and wasn't able to work after that. He sold the station and the trucks. 1978 we decided to move to Texas where the weather was a little warmer and also be closer to Ft Hood hospital. After 3 months in the hospital he was able to walk pretty good with the help of a cane then slowly he wasn't able to get around as well so started using a three wheel mobility scooter and by 1988 he wasn't able to walk at all. We decided it was time to move back to Iowa as he wasn't able to travel by then any distance at all so put the house up for sale and I came back to find one here. They were very limited but did find one about 5 blocks from Mom's which wouldn't require a lot of remodeling so moved back to Bettendorf on July 5, 1989. By now Chuck wasn't able to ride very well and that trip was rough.

The last couple years have gotten worse as he can't ride in the van at all without it bothering his back so much that he says it isn't worth it. So only goes when he has to like the Dr's.

He spent 10 days in the hospital in June 1993 and luckily came out of that all right but he is a long time getting back to normal. That was the first time he had been in the hospital since he had surgery so guess that isn't too bad. His blood platelet count had gone down to 1000 and it is suppose to be 150,000. He had kidney infection for the past year and they were treating him for that and it is believed the medication he was taking was the cause. He is still having to fight that and other medications are not agreeing with him but so far he is holding his own.

He got interested in computers back in 1983 when they were first getting popular and at first he was able to work at it quite a lot but lately it bothers his back to be in the chair and have to transfer from chair to scooter so he doesn't work at it so much now. He has a lift chair which he uses most of the time and that has helped.

1997 he spent 3 months in the hospital first for blood infection then trying to get over an open wound he had for several months before. They were going to have to do plastic surgery on the wound which was on his hip and it just never healed. After surgery he started going downhill as just wasn't able to sit up much after that and it took a long time for the wound to really heal. Then in Sept he had pneumonia and was in the hospital for a week. They began to feel some better.

1998 Was feeling better at start of the year but week before the 3rd of Mar he said he wasn't feeling too well and stayed in bed most of the week but by the 2nd he was up and said felt better then when I went in to wake him up for his coffee the morning of the 3rd he was gone. They believe probably just from his heart giving out.

WIFE - Gladys LaVon Lowe *

I was born on a farm just outside Kirksville, MO belonging to my grandparents, Henry and Laura (Thompson) Lowe, where my parents were living at the time. Sadly there is nothing there but the land now. All the buildings have been torn down several years ago.

My next home was on a farm near Bullion, Mo which wasn't far from my grandparents farm. My brother was born there and we lived there until 1940. My dad was on the School Board there and the school was close to us so I started kindergarten there, even though I wasn't 5 years of age yet.

The summer of 1940 we moved to Rock Island, IL where my Dad thought he maybe could get a job. Making a living in MO was hard so thought it would be better in Rock Island. We lived about three places while there. I started first grade there, even thou the school said I should be in kindergarten, they let me go. My mother told them if I couldn't do the work they could put me back but they didn't have to. My Dad got a job at the Sturdevant Dairy and worked there until 1945. In 1942 we moved to a farm near Hillsdale, IL where he farmed and also worked at the Dairy plant.

March 1945 we moved to a farm near Maysville, IA where my Dad farmed on the shares with Mr Art Meints. We went to the Allens Grove Twp. school, which was a one room school taught by Mrs Edna Spies. Probably one of the best teachers I ever had. We kept in touch until her death in the 1980's.

March 1948 we moved to what was then Iowa Farms, now part of Riverdale, across from the Alcoa plant outside Bettendorf. Dad farmed some ground owned by Iowa Farms and then he went to work for them at their Dairy plant in Bettendorf. I went to school at the Riverdale school across the road from Alcoa the last part of the 7th grade and all of 8th grade. Then I took a bus to J.B. Young Junior High School in Davenport for 9th grade which was in 1949-1950, located at Locust and Harrison Streets. Several students went to Sudlow in Davenport but I decided to go to J. B.

I went to Davenport High School (now Central High) 10-12th grade and graduated from there in 1953. (Just had our 40th year reunion Aug 1993) (50th reunion in Sep 2003). It was located at 12 and Harrison Street. At this time they found out I had a heart murmur so didn't take gym thru high school. Probably had it since I had scarlet fever when I was young.

I left home after graduation and worked at different jobs in Davenport and lived with a girlfriend until we decided to join a group selling magazines to California and I decided to marry one of the guys on the trip in Las Vegas and came back to Davenport, which was a big mistake. It lasted less then a year and then I divorced in Jul 1954. We had a son, Aug 1954 who I gave up for adoption as wasn't able to care for him as we had divorced by then. There was

HUSBAND - Gerald Larry "Jerry" Houser

Put a bio in Find A Grave, info from his obit. and right now only way to get to him is thru his daughter Sherylnn Houser's memorial # 176650251, possibly by his # 176702067 23 Feb 2017.

Info from Jerry and mg and divorce papers. Jerry md 2nd to Loretta Leone and had a son Mark b. ca 1966. Jerry md 3rd to Phyllis King Perkins and had a daughter, Jessica b. ca 1972. Divorced from Loretta, maybe Iowa City, IA and divorced from Phyllis in Atlanta, GA. Don't know anymore about the children other then they both were adopted by step fathers. Mark Elliott's name changed to Kolpek and Jessica was changed but think name in obituary of Betts was a married name. One of the last two wives are deceased but not sure which one.

Jerry was born in Red Oak, IA and raised in Iowa City, IA. His mother divorced his father soon after he was born and she later married W.D. "Dale" Miller who raised him.

He spent 4 years at Red Oak High School but last 2 months they moved to Oakland so he actually graduated from Oakland High School but he doesn't count that 2 months and then went on and worked at several jobs. Was working at Oakdale TB Sanatarium when first married. And the next 9 years worked at several different jobs until he was divorced the first time, then moved back to Iowa City for a while then was in Atlanta, GA for a few years and then back to Iowa City for few years then he started a greenhouse in Tipton, IA (1988) which is what he is still working at 2002.

Jerry started calling me after Chuck died in 1998 and we have kept in contact ever since. He has also kept in contact with our 3 children since.

Thinking about going to retire from business 2002 and selling his business as has had several health problems. Which he did sell the business Jan 2003, then in Nov 2003 he bought an acreage in Corydon, Wayne Co. IA and moved there.

Last week of June 2003 he had 1st knee surgery in Iowa City that went wrong and has nothing but problems since and was back in hospital the 7th Jul suppose to have his knee cleaned and drained but they replaced the whole knee on the 8th of Jul 2003 Said he maybe there 6 weeks since they replaced the plastic in his knee and put in a tube they could check his blood without a needle each time. Don't think he stayed in the hospital that long thought. I had gone up few times to see him when he was in hospital. He was there until about end of Aug. Was in Mason City first of Sep for couple weeks. Then went back to Tipton. By last of Oct he was looking for some land in Missouri and accidentally come across the land near Corydon and liked what he saw and ended up buying the place and moved in the 1st of Dec 2003.

HUSBAND - Gerald Larry "Jerry" Houser (Continued)

3rd week of May 2004 was back in Iowa City Hospital for infection in his leg.

I took him to Mayo's 21st June of 2004 for the first time and there few days then stopped by Mason City, to see his mother and sister before getting back to Corydon. They scheduled to have knee surgery again the last of Sep 2004 at Mayo's Clinic. But ended up he had infection and had to be on antibiotics and so had to postpone the surgery till first of Oct when they took his knee out and he had to have a cast for several weeks before they could put the knee back in on 16th of Nov but guess what, he got an infection they said so couldn't do it till 22nd of Dec. He was in Mayo's all this time. Problems since then as well. Actually from the first surgery he has problems with that leg. Never heard of anyone having so much problems from a simple knee surgery.

2005 Has had several stays in the hospital in Corydon, Des Moines, and Corydon again, not finding out what is really wrong. By Sept is beginning to get better and staying at home. He has had Mary Ellen stay with him a week in Des Moines where he had surgery for bleeding ulcer which may have been the problem for some time, then went to Corydon with him and stayed couple weeks while he was in hospital again and then getting him settled back at home and the house clean and things done to it that needed done so that was a help to him.

2006 also in hospital different times for different things.

2007 April: Sheri came up from FL Thursday the 12th and she, Gayle and I went to Mason City the 14-15-16th of Apr to see how he was doing. Sheri then went back to FL on the 19th of April.

We got home Monday late afternoon and Mary Ellen called us Tuesday that he passed away at 10:30 that morning. 3 days less then month from diagnosis to death is pretty fast I think. He went into Corydon hospital the 20th Mar and said had spot on lung so should go to another hospital so decided on Iowa City University and was there a week & 4 days where they said he had a very fast growing lung cancer and had spread to his liver, bone, brain and both lungs and so Mary Ellen had him moved the 2nd of Apr to Mason City IOOF nursing home where he was until the 17th of April. They had him cremated and there will be a memorial service in Iowa City probably the later part of Sept. Sept 29 if all goes as planned.

His obituary was quite lengthy as Mary Ellen wrote it and I had supplied some of the info as well and put it in the Davenport paper, Iowa City, Mason City, Tipton, Corydon, Red Oak papers as was known in all places. Quad City Times, Davenport, IA Sun 22 Apr 2007 pg C8:

Mason City, Iowa --- Jerry Houser, 73, died Tuesday April 17, 2007, at the IOOF Home in Mason City under the care of Hospice of North Iowa following a diagnosis of lung cancer March 20, 2007. A Celebration of Life service will be held at 10:30 a.m. Saturday, September 29, 2007, at the Unitarian Universalist Society, Iowa City, Per his wishes he was cremated.

Gerald Larry Houser was born February 23, 1934, in Red Oak, Iowa, the son of David Percy and Rosemary (Scherer) Houser. His early childhood was spent living with his grandparents, Frank C. and Sidney Mae (Tenney) Scherer in rural Montgomery County, Iowa. He returned to live with his mother in 1943, after her marriage to William Dale Miller.

Jerry survived two early life-threatening accidents, swallowing gasoline at age 3 and shooting himself in the stomach at age 15 while hunting rabbits. He graduated from Red Oak High School in 1951, lettering in football and playing tuba (by ear) in the marching band. He often practiced the tuba afternoons on the school bus ride home.

He enrolled in the University of Iowa as a chemical engineering major but after one semester decided it wasn't what he wanted. He wrote to his high school classmates in 2001 "A real dilemma, I had no clue to what direction I would want to go. The search went on for nearly 35 years"

Following his brief college experience he worked in a variety of jobs, mostly sales, and moved about often. During those years he had "probably 30 different jobs, three wives and six kids" In 1981, while working in a factory in Iowa City, he was over exposed to a toxic chemical and forced to leave to preserve his health.

During his physical recovery he moved to his family's farm, Rainbow Acres, near Riverside, Iowa, and began his "digging in the dirt" horticulture experiments that evolved into a burgeoning pumpkin and potted herb enterprise. By 1987 the business had outgrown Rainbow Acres and he located an abandoned greenhouse complex near Tipton, Iowa, that was built during the early 1970's hydroponic tomato craze.

Golden Acres began operating in 1988 and business took off, doubling sales every year for the first seven years. Pumpkins were eventually dropped, the herbs expanded and a full range of perennials added. Over 2000 varieties were grown, with markets in three states and over 100 stores, including Wal-Mart, Kmart, Home Depot and HyVee. Sales volume quickly topped a million dollars. He had finally found his life passion.

Nearing age 70, and following the death of a partner, Jerry sold the business in 2003, and retired to a near

A failed knee replacement left him in a wheel-chair and unhappily restricted his plan to once again spend his time "digging in the dirt". He did, however, find pleasure in feeding the abundant birds and wildlife that visited daily, including nightly forays from skunks, raccoons and opossums that savored the dog food he purchased just for their suppers. Jerry's rebirth as a faithful follower of Jesus Christ 30 years ago was a life changing transition for him; h found atonement in caring for his family and friends. During his last days he received long visits from his immediate family and soul searching dialogues with his many spiritual counselors that resulted in his peaceful passing. He was a member of the Church of Christ, his last affiliation with the Sunnyslope Church of Christ, Promise City. He is survived by his first wife, Gladys (Lowe) Treadway; and their children, SherylKay Houser, East Point, Fla, Larry Martin Houser, Pleasant Valley, Iowa, and Gayle R��nee' Houser Bush, Coal Valley, Ill. Grandchildren include Misty Gail Parenzan, Destin, Fla., Jason Houser, Duluth, Minn., Caanan Bush, Malibu, Calif., and Brittany Bush, Newbury Park, Calif. Great-grandchildren are Travis Perry, Bryana Perry, Dilan Parenzan, Destin, Fla. Children from later marriages are, Mark Elliot (Houser) Kolpek, Texas, and Jessica (Houser) Betts, Arkansas, who were adopted by their stepfathers. Also surviving are his sister, Mary Ellen Miller, Mason City; brother David Dale (Janet) Miller, Blainstown and faithful cousin, Charles (Mary Ellen) West, Bode. He was preceded in death by his parents and infant son, Mark Allen Houser. Memorials may be sent to his favorite charity, the Salvation Army, or to the Iowa Arboretum in Madrid, Iowa. Arrangements are with Major Erickson Funeral Home & Crematory. They may be reached at (614)-423-0924 or www.majorericksonfuneralhome.com. (I went over the obit before she sent it as did Charles West and all missed that didn't list I lived in Bettendorf, IA, which didn't really make that much difference and I did have Misty's middle name spelled wrong but had thought everything else was right, believe Jessica Betts was married name). Recieved copies of his obit from Funeral Home, Mason City paper, Press Citizen, Iowa City, the Gazette, Cedar Rapids, and Red Oak Express. Also ran in the Tipton Conservitive and the Corydon Times Republican papers.

I was born on a farm just outside Kirksville, MO belonging to my grandparents, Henry and Laura (Thompson) Lowe, where my parents were living at the time. Sadly there is nothing there but the land now. All the buildings have been torn down several years ago. My next home was on a farm near Bullion, Mo which wasn't far from my grandparents farm. My brother was born there and we lived there until 1940. My dad was on the School Board there and the school was close to us so I started kindergarten there, even though I wasn't 5 years of age yet. The summer of 1940 we moved to Rock Island, IL where my Dad thought he maybe could get a job. Making a living in MO was hard so thought it would be better in Rock Island. We lived about three places while there. I started first grade there, even thou the school said I should be in kindergarten, they let me go. My mother told them if I couldn't do the work they could put me back but they didn't have to. My Dad got a job at the Sturdevent Dairy and worked there until 1945. In 1942 we moved to a farm near Hillsdale, Il where he farmed and also worked at the Dairy plant. March 1945 we moved to a farm near Maysville, IA where my Dad farmed on the shares with Mr Art Meints. We went to the Allens Grove Twp. school, which was a one room school taught by Mrs Edna Spies. Probably one of the best teachers I ever had. We kept in touch until her death in the 1980's. March 1948 we moved to what was then Iowana Farms, now part of Riverdale, across from the Alcoa plant outside Bettendorf. Dad farmed some ground owned by Iowana Farms and then he went to work for them at their Dairy plant in Bettendorf. I went to school at the Riverdale school across the road from Alcoa the last part of the 7th grade and all of 8th grade. Then I took a bus to J.B. Young Junior High School in Davenport for 9th grade which was in 1949-1950, located at Locust and Harrison Streets. Several students went to Sudlow in Davenport but I decided to go to J. B. I went to Davenport High School (now Central High) 10-12th grade and graduated from there in 1953. (Just had our 40th year reunion Aug 1993) (50th reunion in Sep 2003). It was located at 12 and Harrison Street. At this time they found out I had a heart murmur so didn't take gym thru high school. Probably had it since I had scarlet fever when I was young.

I left home after graduation and worked at different jobs in Davenport and lived with a girlfriend until we decided to join a group selling magazines to California and I decided to marry one of the guys on the trip in Las Vegas and came back to Davenport, which was a big mistake. It lasted less than a year and then I divorced in Jul 1954. We had a son, Aug 1954 who I gave up for adoption as wasn't able to care for him as we had divorced by then. There was just no living with that man. Probably because we didn't know each other very long and when we got back to Davenport and found an apartment he became so jealous that I couldn't even talk to my brother and barely could leave the house because he would think I was having an affair with every man I saw so by early part of the year I know it wasn't going to work so I left and went back home and worked at Bettendorf Sheep Metal works as secretary for Doc Wingert till Aug then had the baby and then went to Missouri to spend a week with my cousin then came back and went to work at the T.B. Sanitarium at Oakdale, IA, just outside Iowa City then. The marriage, well have to go back, the idea to go with this group was Probably the most stupid thing I ever did because Anna Boyles, who I was rooming with wanted to go and so I agreed so that was probably the 1st mistake, but you live and learn by your mistakes I guess. We had a nice apartment and both was working but guess thought we needed more excitement. Which back then even selling magazines door to door was not the thing to do, better then today but should have know better then even. I was trying to figure out a way to get back home at the time and then Joe started paying attention to me instead of Anna and then wanted to get married and come back home so thought was my way to get home I guess so we went to Las Vegas and got married then came back to Davenport. Looking back I didn't know very much about Joe and know he didn't know much about me as should have got an annulment when we got back but thought would try to make it work. I met my second husband there (Oakdale TB Sanitarium at Oakdale, IA) and we married a year later in Iowa City and stayed at the hospital for a while and in 1956 moved back to Davenport, IA. We had 4 children, all four being born in Davenport. We lived several places in Davenport until 1964 when we separated and divorced. I stayed in Davenport and went to work to raise the children, with the help of my parents and none from their father. In 1959 I had my gall bladder out but have had no problems since. After last child in 1962 found out Jerry wanted to move to Des Moines to work and I didn't want to leave this area since knew his background on jobs. So he went and found a lady he liked so I said that was it and we divorced. He remarried and had a child and divorced her and married again and had another child then about that time he came back to Iowa City then to Tipton and opened up a green house and ran that for few years and made good money at it till his leg started hurting then decided to buy a place in Corydon IA and sold the greenhouse and lived there for short while as leg bother hin and had surgery then everything went down hill as he got infection in it right after surgery and in years time he had cancer through out his body and Mary Ellen took him to Mason City and Sheri came from FL and Gayle and I went to visit him at the last 15-16 April 2008 and we left on the 17th of Apr and he died that morning. Mary Ellen had a memorial in Iowa City for family and friend and Gayle and Terry an I went to that. about a month or two later. He gave Mary Ellen the farm in Corydon and left me money and set up anunity for the girls for 10 years but believd Larry was and had been on drugs so didn't leave him anything believing he would spend it all on drugs but he wasn't on drugs at that time. So I gave him some of money Jerry gave me to help him out. By Dec 1964 my luck had changed, through a mutual friend I met my third husband and every thing just seem to click. Third time a charm and all that. Chuck had just lost his wife and he was stationed at the Rock Island Arsenel, and was a Sargent in the Army at that time. He had been in the Army for 14 years by then. He had no children and took to my three right off and they to him. We decided to get married in April and friends of ours wanted the wedding at their house so we were married on Dixwell Street in Davenport at the home of Jim and Fern Beach. Carl and Carol stood up with us. (Strange twist- Jim and Fern divorced and Fern went to Florida and Jim went to NM and Carl and Carol moved to Arizona and were later divorce. All remarried). We just celebrated 28 years of marriage in 1993. We would have been married 33 years liking one month when he died in Mar 1998. We went to Springfield, MA for our honeymoon, as Chuck had to go there on business for the Army. It was the first time I had flown and like my Dad I wasn't found of it either. I have had for many years a tendency to have motion sickness and several things bother me, flying one of them, high places another. Since then have flown a few times and take Draminine and it does help. We bought our first home on W. 69th street in Ridgeview addtion in Davenport in 1965 then by Feb 1966 we were on our way to Germany. Chuck had been transfered to the Army base at Friedberg, Germany for a three year tour. We went to Germany on the ship "USNS Gieger". We left NJ and after 9 days on the ship we arrived in Bremerhaven port in Germany. We had the car on the ship with us so we picked it up and both got our German drivers licence and drove to Friedberg, Germany. Again the first few days on the ship were terrible but then someone told me to see the Dr and get some Dramimine which would help and so the last 5 days were very enjoyable. Sheri and Gayle weren't feeling too well the first few days but they got over it shortly. Didn't bother Larry at all. So all enjoyed the trip.

There wasn't any vacant apartments on the post available at the time we arrived there so we rented an apartment on the German economy in a little town of Steinfurth, which was just outside Bad Nauheim, a few miles from Friedberg, for a few months then we moved into Quarters in Bad Nauheim. the area around there and Frankfort was quite pretty and we all really enjoyed it. Gayle started kindergarten there. We were there a year when Chuck got orders to go to Murnau, Germany, which was in the southern part of Germany, just outside Garmish, which was a beautiful area in the mountains in south Germany. The Bavarian houses and mountains was quite different then northern Germany. Mom and Dad came over while we were there for two weeks and we toured that area of Germany, Austria and went to Venice, Italy and several of the Castles in Germany. This was also an experience we all enjoyed. While in Venice, I'm sure Gayle will never forget, she was about 7 years old and we were walking back to the car from Venice and somehow she got away from us. She had stopped to look at something in one of the windows and no one noticed she was not with us until we had walked several blocks. Fortunately she had stopped just outside of the American Express office and they saw she was by herself and kept her there until we found her. She said she wasn't scared, but she was sure glad to see Chuck, when he found her. We had met a German fellow that worked where Chuck did and he sang in band and played the guitar and he spent a lot of time with us and also traveled with us and went on the trip to Venice also. Kept in touch with him for while when we left then lost track. Then about 2005 checked German phone book and found him listed and so have kept in contact since. After the 2nd year in Germany, Chuck got a chance to take a Commission for Warrent Officer and it was shortly after the Viet Nam war had started and he knew he would have to go and decided he would rather go as an Officer, even though it meant leaving Germany a year earlier then we had planned. Receiving his Commission, came a tour of Viet Nam so we left Germany and came back to our home in Ridgeview, which we had rented while we were gone. Chuck had been to Viet Nam three times before on TDY as well as Santa Dimingo so he had an idea of what to expect. Besides all the side trips we took looking at castles and such we drove from one end of Germany to the other end and back to the middle again when we left. From Bremahaven to Frankfurt to Murnau then back to Frankfurt when we left Germany. Don't know the routes we took on those trips but saw a lot of Germany. We had sent the car on ahead so it would be in NJ when we flew there from Frankfort so after 9 hours, sure better then 9 days, on the plane, we picked up the car and our dog, Cotton that we had in Germany and headed for Davenport. Chucks tour would be a year in Viet Nam so I worked at the I-80 Truck Stop on I80 while he was gone and the kids went to school. After the year in Viet Nam Chuck was stationed at Aberdeen Proving Grounds, Aberdeen, Maryland. Mom and Dad came out there and spent vacation with us. We went to Washington DC, Philidelphia, PA, Baltimore and surrounding areas. While Chuck was in Viet Nam we found out Larry needed open heart surgery and so after we went to Aberdeen we took him to Walter Reed hospital and he had the surgery and was up and back to school in two weeks. Still doing fine. About this time I got interested in Genealogy and one of our neighbors told me how to get started and gave me the forms to start with and I've been hooked ever since. That was in 1969 and I see no end in sight. I have numerous notebooks on families and in the process of putting all my information in the computer, which should make it easier to work with. Chuck retired after 20 years in the Army from Aberdeen, MD in Nov 1971. I brought the kids back to Davenport in July so they could start school here without changing. We hadn't decided for sure if we were going to Colorado or stay in Davenport but in August my Dad was killed so we thought it best to come back. Chuck was going to take it easy for a while after his discharge but that didn't last as he didn't like doing nothing so he got the chance to open up his own service station in Bettendorf, IA. So on the corner of 12th and Grant in Bettendorf Treadway Texaco became a reality in Jan of 1972. I did the books for the station from 1972 to 1978 when we sold it. We sold our house in Ridgeview and bought a house at 2008 18th Street, Bettendorf in 1972 then sold it in 1978 when we moved to 1604 Venus, Gatesville Texas. Several people were getting interested in Genealogy here in Davenport about that time so in 1973 we started a Genealogy Society in Rock Island then started one in Davenport, IA. I had also joined a couple bowling leagues and won several trophies during the years. Wasn't able to pursue that in Texas as the closest bowling alley was 40 miles

away.	
We traveled some during 1971-76, went out west and south. We had bought a 5th wheel trailer with the plans of retiring and doing some traveling. About 1975 Chuck started having back problems and he had to have surgery the 2nd of Nov. 1976. He was in the hospital 3 months and then he tried to run the station from home but that didn't work and he also had two trailer trucks that was being driven for him and had to sell them and sold the station and we decided to moved to Texas for the warmer climate and be closer to the Army hospital. We sold our house in 1978 and moved to Gatesville. We lived there 11 years and the last two years Chuck was in a wheel chair all the time and the drive from there to here was just getting too much so decided to come back here. We did hate to leave there but thought it was for the best. After we had the house on the market for about a year I found out I had to have a hysterectomy so knew if I went ahead we would sell the house, you know how things go, well I went ahead and had the surgery scheduled for the first of May 1989 at Ft Hood, and by the end of May we had sold the house and I was on my way to Bettendorf to find one there. Since there were few houses that fit our requirements without a lot of remodeling it was beginning to look like a problem. We had to be out of our house in TX by the first of July so after a week I had finally narrowed it down to two and decided on the one on Hillside Court as it required less work to make it livable for Chuck. So I went home and finished packing and by July 4th we were on our way to Bettendorf. I had done a lot of the packing before surgery, knowing I wasn't going to be able to do any lifting for some time afterwards so that helped. We knew before I had the surgery the house was sold, which is why I was able to pack a lot ahead. Had to have air conditioning put it right away. Few years later we had new roof put on then 1996 we had all new windows put in and in 1997 had the kitchen completely redone, cabinents refinished, new counter top, new floor so house really nice by then. While in Texas we started a Genealogy Society in Gatesville and I helped get that started also. For a while I was the Editor for the Quarterly and treasurer for the club. They decided to start a DAR At Large group as well but later developed it into a club and I was Vice Regent of that until we left. My DAR # was 708459 which dropped membership after moving back to Bettendorf in 1989. I joined 18 Apr 1987 and went first at large in 1989 but by 1990 they raised the rate to \$40 a yr so I canceled my membership. I took some College courses while there the last 3 years and received 10 College Credits in History, Criminal Justice and Computer courses. Now I am back into Genealogy clubs here (IA) and also since we have been into computers since 1983 I have joined the local Computer group and they also have several groups such as Wordstar, Word Perfect, PAF, Quicken groups that I go to while they have them, after a while they drop them and start others. I have been sewing since I was a child and have sewed most of my clothes for many years, however once in a while I do buy something from time to time. I like to do crafts and crochet as well as read and dabble in photography. It seems genealogy takes most of my time though. Seems as though there isn't enough hours a day to do all I would like to. I have had several family history books printed and done some transcribing of census records that I had printed and sold. I've always said with so many things in this life to do there isn't any reason for anyone to be bored with life. Yet there are so many depressed people in the world that just dread to look forward to the next day, I do feel sorry for them as it must be hard to get through a day feeling that way. My height was 5 ft 3 inches and weight varies but mostly stays around 130-135. I had dark brown hair and brown eyes. I have kept my hair colored since I was in high school as it would be grey by now. It started with a grey streak while I was in high school and continued to get grayer. I started wearing glasses about 1951 when I was in Jr high. Needed them for distance as I still do. I had my eyes checked every few years and just after we moved back to Bettendorf, it had been 4 years since I last had them checked so went for an exam in Oct 1989 and they told me to see a specilist, so I did and they said I had Glaucoma, fortunatley it was just starting and only had too high of pressure only so no damage done. But will require taking drops every day for rest of my life. The Dr suggests maybe we will be looking at laser surgery down the road. 2008 had my left catarat removed and didn't go well as had scratches on my cornea and also something wrong with my retina. So In 2015 I had the left cornea scraped and that helped then in March had the cornea on right side scraped then 16 Apr 2015 had the cataract removed and that one went okay as no retina problem on that eye. Then my vision is some better then it was so won't have to worry about passing eye test for drivers licence for a while anyway. Its times like these when Genealogy comes in handy for background health history, except all my grandparents and great grandparents lived before they had all the tests they do now for things, so it is difficult to know what they had

for sure. We know heart problems run in the Lowe family and Grandma Lowe had cataracts and Grandma Dyer died of a stroke. Mom also has the starting of cataracts and arthritis. Grandma Dyer's mother was blind the last several years of her life, but don't know from what. Grandpa Lowe had diabetes and Grandpa Dyer died of old age. Aunt Pearl had cancer and died because she wouldn't get help and Uncle Gale had emphysema which is probably what caused his death. Uncle Claud had it also as does a son of Uncle Floyd's. All smoked. Aunt Lea died of heart problems and Uncle Floyd died of heart problems. One of Floyd's sons and one of Gale's sons had heart surgery as did my son. So definitely heart problems run in the Lowe family. Uncle Paul Dyer had cancer and Aunt Edna died of heart problems. Aunt Hazel is in pretty good health (although now-1993 she has lost her mind-she died Apr 1995). Her granddaughter was taking care of her.

Mom is in good health except for arthritis and high cholesterol and the starting of cataracts. 1996 they discovered she had the beginning of glaucoma and had too high pressure so had to start taking drops to bring it down and it did. My brother Charles is also in good health except high cholesterol. Mine is also high and I think maybe we just normally run a higher count (don't think the Dr's believe that). I am the only one that has sinus and allergies, but usually have no problems with it now. Did for some years though. Dad had migraine headaches and I started getting them shortly after I turned 40. Had quite a few for many years until after surgery in 1989 they have become very mild and not many at all. Grandpa Lowe also had migraines. They say that is hereditary as is glaucoma. I had one son that died of heart problems and also a brother that died a few days after birth of heart problems, both only lived a few days. Larry hasn't had any problems since he had surgery except his back bothers him but hanging dry wall isn't the easiest job. Gayle has a slight heart murmur as does her daughter, Brittany. Sheri has arthritis and a weight problem, which probably comes from the Houser line. Her Grandmother Houser Miller also had those problems. No health problems with Jason and Caanan that we know of now.

1996 update on my health. Dec 1995 discovered thru a mammogram that I had what looked like cancer in my right breast so they did a stereotactic needle biopsy to check and said it was so should have a surgical biopsy to remove the affected area so did but they didn't get it all so had to have another biopsy which they took more of the area out and got it that time. Then to keep from spreading or coming back they said I should have 25 days of radiation, which I did at a very high cost to me. Champus pays 75 % of what they allow and then I have to pay 25 % and by the time it was all over I had paid over \$3,000.00 out of my pocket for this little procedure. Just after it was done I heard on TV that this type of cancer which was located in the milk ducts could stay there for years and cause no problems at all, but you don't know that and no one suggested I wait and see what would happen so I went ahead with it, had I to do it over, I think I would wait and see.

March I went to eye Dr. as was having a lot of irritation in my eyes and didn't know what was the cause, think maybe it was the different eye drops I had been taking for a year so had seen a glaucoma specialist and he said to stop for a month and come back and did and all cleared up but he said stay off another 2 1/2 months and come back. I had been taking drops for almost 7 years and they said when you start you aren't suppose to stop but he said pressure of 20-21 isn't all that high but I decided to get another opinion this time so went to see the Dr that Mom had gone to, to see what his opinion was to do as he did get Mom's pressure down and then keep it constant. The Dr's I had always gone to just was satisfied to keep pressure what it was and not try to get it down. You never know what is the right thing to do as everyone always has a different opinion about everything.

1997- 1 year has gone by since breast surgery Dec 1995 and Jan 1996 and have had no problems of any kind this past year-Great. Claimed didn't get it all the first time so had to go a 2nd time.

1998 started out as any other year but wasn't long, 3rd of March to be exact that Chuck passed away peacefully in his sleep at home. So had to adjust to that. Had the entire inside of the house painted and new carpet put down. Had to have some work done on the Van and was able to take a couple trips to Columbia, MO and Ft Wayne, IN to do genealogy research. Mom has been having several problems that they can't seem to find the cause of this year. My brother spent little over 5 months in AZ this year and bought a house there as last year he sold his motor home. Sheri and son Jason still in Virginia, MN and Larry is working around here and Gayle has an apartment in Moline, IL and working at John Deere Insurance Co. Oct 1999 Gayle starts permanent job at John Deere at very good pay. Sheri thought she felt good enough to try to work part time and started at a computer store there, don't know for how long.

1999 started out okay as well, no problems that know of. Will have a trip to Columbia, Mo in May for research and in Oct to Ft. Wayne, IN. Started to work part time at Ethan Allen Furniture Store as Receptionist every other weekend and every Thursday nite but Oct-Nov-Dec turned into almost full time as worked 3 weeks out of 4. Now with the new year coming I will be working all day Thursday and Thursday nite and every other Friday on the weeks I don't work the weekend so averages 3 days a week or 20 hrs so that will be okay. That changed in summer when started to work every Friday also as the other receptionist said she would work on Thurs nites so that works out great. How

to work every Friday also at the other apartment and she would work on Thurs and Sat weeks and great. How

thought she left good enough to try to work part time and started at a computer store there. Don't know for how long working at John Deere Insurance Co. On 1998 Gary said permanent job at John Deere at very good pay. long don't know. I had been working every Friday for while then since the regular recp. quit just before I went on vacation in May they were without help but found someone to take Ruths place M-T-W so I still work my Thurs & Friday and everyother weekend. Now 44 1/2 hrs in 2 weeks.

Jerry started calling me every month or so then every other week as he wasn't that good and needed someone to talk to I guess. Then I took him to Mayo's after he had knee surgery and they couldn't help him as had too much trama in his leg. No one else was able to take him at that time so I did. Keep in touch from 1998 to 2007.

Same time I was walking at Duck Creek with Joann Pomeroy and Elmer and then they closed Duck Creek so we went to North Park then Joann moved to FL and Elmer and I walkd for while and went out to eat once in while then he passed away. Was also going with Harold Smith after Chuck passed and his wife passed 3 months later. So we went out to eat brkfst first at the boat then to Riefes during the summer as he went to FL every winter until the last year of 2014 when he stayed there all the year and sold his houses up here. Had been not well last couple years with high blood pressure and heart disease. He passed away 28 Aug 2015 age 93 and plan to have a memorial service here in Oct.

The family was all together this year at Thanksgiving except for Jason so that was nice.

2000 This year started out okay. Had to have some van work done in spring. Also have been having my eye drops changed around to see if something better will work. Course turned 65 this year and so went off Champus and onto Medicare and Blue Cross and Blue Shield so that took some extra money out of pay but then I knew that was coming, which is why I went to work. This year when went to Cardiologist he wanted me to wear a heart monitor for 24hrs and then have echocardiogram and stress test as had been few years. Still go to Iowa City library once a month in good weather but winter we don't.

First met cousins Faye Francis and June Beals about the time Ralph Lowe died as he had done a lot of research on the Lowe family and so they took it up from him and they came here the first time 1991 then in 1996 they came here as well as Percy and Marilyn Thomas of Canada (cousins) also and all had a nice visit for the weekend. Since they have met June and Faye at Iowa City library once and each year in Sep. they try to come here and have since 1996 now thru 1999. This year we planned a trip to Virginia and Maryland for May of 2000 to do research in the court house's of our ancestors to see if can find anything we haven't been able to as yet other ways. So hope alls health holds.

We did make the trip to Rockbridge Co. VA for 10 days and stayed in a new log cabin called Greystone Cabin Rentals, Lexington, VA 7-13th of May 2000 then to Frederick and Montgomery Co. MD for 4 days, 4 days going and comming so gone 18 days. From 5 May to 22 May. Found a lot of info but nothing new to really go on with the Lowes, Gores, Ross or Sayres. But had a great time and weather was nice all the time. Also did some sightseeing, went to Natural Bridge, James Madison's home and Thomas Jefferson's home as well. Then in Aug I met June and Faye at the Iowa City library to compare notes and see if had anything really, which we didn't.

Have been going to Ft Wayne, IN also in the Fall, try each year. Last year was Oct 1999 and this year Sep. 2000. Last two years, Donna, Lorraine, Pat and myself. Usually for a week but this year cut short by one day. Usually work on collateral families there. Years before Joann went instead of Pat but not last 2. Oct 2001 Lorraine, Donna, Joann & I went to Ft Wayne for a week doing research.

Sep 2002 cousins June Beals and Faye Francis drove to Salt Lake City Utah to do research at the library and was gone about 12 days and found a lot of new direct lines to work on also and the weather was great and trip so much fun.

Sheri has gotten interested in the family since she can do so much on the internet and so have found quite a lot of info and several new direct lines to work on from that.

I decided it was time to get rid of the van we had had since 1988 as starting to put money into it the last few years so found a 1997 Olds Cutlass and bought that in June 2001. Paid off the car in Dec 2002, 6 months early to save some interest.

Then next week had a crown come loose and got an abcess and so had to have the tooth pulled and best way to handle it was put a 3 crown bridge as couldn't leave the whole there for cost of \$2000. I have a lot of crowns in my mouth so guess will probably have more trouble later on when they come loose as not enought tooth left to reglue it to so may have to have more bridges later.

Also this year 2002 was having trouble with the sight in my left eye not being good so finally went to a different eye

Dr and had a battery of tests and found I had what was called Macular Pucker, which was a wrinkling under the cornea which was caused by inflammation or injury to eye, which I had had before when hit my eye with my fingernail and eye swole up and was sore for couple weeks, was so bad had to wear sunglasses in the light so thought all probably stemed from that but she didn't think it would get any worse anyway which is good. All other Dr reports very good this year so as health goes looks like I am okay for now.

2003 year started out real good. Took trip to Des Moines in May and in Sept. for week each. Short trip to Humboldt, IA for Aunt Eleanor's 83rd birthday. All Dr reports good this year.

Sheri has stayed in FL again this year and Larry around here and Gayle still at John Deere and bought a condo this summer and real excited about that. Sheri did come up north in Sep-Oct to Michigan, MN and here for month trip before going back to FL for the winter. My brother spends 6 mo here in summer and 6 mo in AZ in winter with Carol. He became a grandfather in 2001 and again in 2004.

Ever changing things at work but still working Thurs-Fri and ever other Sat & Sun so that is okay for now.

2004 All is going allright this year. Planning a trip to Ft Wayne with cousins Faye & June in Sept. Did go to Des Moines, IA in June with Faye to see cousin June and another cousin Richard Lowe, from CA.

Had old bushes taken out of the front of the house in June this year and the whole front redone and new small bushes put in and changed the whole look of the house.

Went to Corydon, IA to help Jerry to Mayo's as since he has been in a wheel chair for year he needs help to get around and he had an apt. there for his knee to see about having surgery there so in June went for week. He now has it scheduled for last of Sept. He has had to a couple times but Mary Ellen, his sister had gone with him. His mother died the 4th of Sep and they are having a Celebration of Life in Iowa City the 25th of Sep but I have to work so won't be able to go. Did go to his step-fathers in 1991 there.

Sheri stayed in Florida another year for sure and got an apartment. In August and Sept they have had hurricanes, first went by them but 2nd one in Sept came very close and another one in Sep due to hit FL again, where the first one in Aug hit.

Health mostly okay but hit my right eye this spring and has caused some problems. Dr says my eyes are so sensitive that I could hit them with a feather and cause a problem. But mostly have had sleeping problems for over a year now and so have had a battery of heart tests in the spring which showed everything okay and in the fall will have to go thru the sleep clinic to see what the cause is.

Did fall in the front yard while watering bushes and hit my face and bent up my glasses and that was the day before leaving for Corydon so had to wait till got back to get new glasses.

See what 2005 brings. Started out okay I guess, still having problems with sleeping and Dr says it may be years instead of months before get back to normal if ever do. Then in March went to get my drivers licence renewed as if got it before turned 70 could get it for 5 yrs, otherwise would be 2 and with my eye problem was a little worried about that. Did have a problem reading the chart at first but she changed some things and was able to see all she asked so guess okay.

Had a new ramp put on the deck in March also as one Charlie put on almost 16 yrs ago was getting in bad shape and knew he wouldn't be able to do it now. Have some other things to have to do around the house this year so guess all my money I get from working is going into the house.

Plan a trip to Ft Wayne, IN with cousins Faye and June the last week of May 23-27, this year. That went well and found some new info to work on and had good weather as well.

Sheri should be home in Sept and will take vacation then also as plan to have 90th birthday party for Mom then. Did have the dinner on the 18th of Sept but because of hurricanes Sheri was not able to come. Did have family dinner party for her at Jumers. Sheri will be here in Nov for Thanksgiving then will be here and MN and visiting family and friends and back here for Xmas until 1st of Jan when goes back to East Point, FL.

Lots of changes at work at Ethan Allen but I am still hanging in there. Did stop working on Friday's the first of Oct as doing some hiring changes and I wanted to stop working the extra day so will work every Thursday and every other weekend for now, maybe extra now and then.

Aug and Sept was a very bad month as had house painted which was planned then the air conditioner went out and so had new one put in then had to have new storm door on side of house replaced and had three door locks replaced, none of which was planned but had to be done. Then one of my crowns broke off and had to have new one put on. Garbage disposal broke so I was very glad to see the end of Sept.

Sept went to regular Dr and she put me on Zoluft which has helped me from day one as I think I was under more

	stress then I really thought so maybe next year will be a much better year. However couldn't stay on it very long as had other reactions to it. I hopefully won't have so much stress and will get to sleeping better as well with out help. Redid the Bush-Clemons-Bond book I had done for the grandchildren in 1988 as some of it wasn't readable now so put all the info in the computer and reprinted the book and made copies for all of Randy's brothers as well. Took about 4 months to get it all together and know they will enjoy the new book, even though not more info but much more readable now with indexes and good pictures. Cleaning up the basement as Sheri was coming the middle of Nov for while and fell off the bottom of 2 step ladder and landed on my right side hip area and thought would go away right away but didn't. 2006 pretty much went same way as 05. All health problems about the same, not much changing there. Sheri came in Nov and stayed thru Jan. Was up in MN and to Corydon to see her father. Had no Hurricanes in 06 but 05 they had several and she had to move once and had several storms because of them. Elmer a good friend of mine, who I had been walking with for several years died suddenly. Jerry has had lots of health problems this year as well. Trip to Des Moines for week in May and Sep. Oct took a bus tour to Branson, Mo with radio station from Maquekota with cousin Faye and saw several good shows but was way too hectic of trip. My leg has still been giving me problems, going to the Chiro for 3 months then regular Dr, then pain clinic and had 3 shots and still nothing had helped. Pain constantly. Problem is it is my right leg. 2007 also started out same old same old. At least my health is good, considering all the things that are turned upside down. My leg still giving me problems and have apt in Apr to see Orthopedic surgeon to see if he can find out what is going on, all say not the hip, just muscle or joint pain. Did start wearing my walking tennis shoes which have arch inserts in and has helped some then got out my sas shoes that have more arch support and believe it or not my leg is not as bad as was so may have to see about arch inserts to wear constantly, which have put off doing as like to wear sandals in summer and can't do that then. But whatever it takes to get rid of the leg pain I guess. Have dealt with leg pain for 5 years no one can fix it until I had a panic attack in 2003 and went to emergency and they put me on meds that made the pain go away and have never had it come back but have to tak Altavan for ever to keep it from coming back maybe. Got word the last of March they took Jerry to Iowa City University and that had lung cancer and has mastizised to bone, liver and brain so is going downhill rapidly. Mary Ellen, his sister took him to Mason City 2nd Apr to nursing home w/hospice care so she could do what needed to be done for him. Sheri came up from FL and she, Gayle and I went to Mason City 14-16 of Apr to see him. Sheri may spend more time there with him after we see how he is doing. I was off that weekend and Gayle got off on Monday. Caanan and Brittany were here the first week of April so got to spend a little time with them. Since Jerry died day after we left, Sheri went back to FL right away. 29 Sep 2007 Mary Ellen planned to have his memorial service in Iowa City. Charles West presiding and Terry drove Gayle and I there for the day. March 13, 2008 was laid off work at Ethan Allen after almost 9 years, as they were first going to close the store then decided to cut back and then move it which they did March 2009 to a place on Utica Ridge Road. Down to 2 people working there then. I got unemployment then until June 2009 so was almost as good as working, as had to send resumes out to at least 2 places each week which did and sometimes more and asked at many places that didn't write down. \$85 a week then 2009 got \$104 a week. Had only couple interviews as no one wanted to hire someone for 2 days a week and no nights and at the money I was getting either so figured was time to retire. Just hope can live on S.S. retirement money without working. 22 Mar 2008 Harold, step father, went in for emergency stomach surgery as didn't know what was wrong so spent Easter at the hospital then Mark stayed with Mom for week then next 4 weeks Charlie and I took turns staying with her at home as not able to stay by herself and we had to take her to the hospital all the time so was good thing I wasn't working I guess. Then by end of April I had enough of that so said we had to find someplace for her to go as by then my brother and I both knew Harold was never coming home and probably wouldn't last a month or so, but we were the only ones that saw that. Anyway we took Mom to couple Assisted living places and she found the one on Jersey Ridge Place to her liking and they had an opening first of May so was able to pack her up and move some of her furniture and things as had nice kitchen, living area and bedroom and bath, little expensive, but most places were and she figured wouldn't be there that long as Harold would be up and back and they would go home. Well they

moved Harold to another hospital to get better therapy which didn't work then they moved him in June to nursing home in Moline for more intensive therapy to get him up and moving and by Jul 2nd they told the family they had to move Harold to Hospice at Trinity in Bettendorf so they moved him late in the evening and the next morning by 6am he was gone. He had already said he wasn't doing anything more as had so many problems and was just going to waste away anyway and he just gave up. So they knew Mom was going to stay where she was and has been there a year in May 2009 but still goes plays her cards 3-4 times a month and does all things at the center, exercise in mornings and movies and other things in afternoons so can do as much or as little as she wants. Health as good as can be for her age.

June 2008 had cataract removed from left eye and took about 4 weeks before could drive as vision didn't come back as good as had expected. Ended up never did as had cornea and retina problems that hindered full vision coming back.

2008 Sep my brother and I packed up Moms house and cleaned it up and had things taken to auction and put the house on the market for sale but didn't sell so changed realtors and lowered price and then Feb 2009 sold the house

2009 Had a lot of things done to my house, new part of drive in front of garage, new garage roof, new deck railing and a place on house fixed and one on garage fixed and new metal pole to hold the electric wire from pole to garage to the house. Dec 2008 had new paneling put in the basement and the walls repaired where walls had been taken out. Lot of stress this year.

2010 Mom still at Assisted Living and doing pretty good. My vision is on the edge 20/30 of getting my drivers licence end of March so will see. Thank goodness was able to get my drivers licence. Not much vision in my left eye but enough to keep driving.

2010 has been a very bad year for me and stated in Dec 2009 and at first not knowing it was stress and anxiety back in a big way as started when Gayle was sent to jail and not knowing if Sheri was coming back or not and her health was bad. Then my regular Dr left and so I had to start with a new one and first one didn't get along with so went to the 2nd one and at first was rough but we finally got on the same page. I was stressed apparently from many things and went back on med Dr Neil had given me and then found out it whiped me out so had to stop that and took till ended up in ER in June to get the Dr to get the right med that worked. Started also with the colonospy which was not happy about as didn't feel good taking the prep stuff but test okay and nothing there, no polyps or anything all okay. Except had diarrhea for several months after and lost more weight and went back to that Dr couple times and never got anything to work but then had upper GI just in cause was something there and wasn't. So have so many blood tests and all came okay so only thing left was stress and anxiety causing all my problems as I was so tired and weak and just didn't feel good. Started to improve when went to ER and got other med and thru Nov now have had no problems except tired and can't do a lot but said anxiety can cause a lot of problems and will take a while to get back to normal.

Stopped going to Moms to do her hair as my hands would go numb once in while and had no strength in my arms. Charlie mowed my yard for me for 3 months then I thought I was able to do it myself.

Also went and got my hair cut very short sides and back and top so I could just put in 6 rollers on top and comb sides back and stoped coloring it as well so by Nov it is now almost all grey. Just wasn't able to roll my hair anymore since April as that was when I was the worse so told Mom she was going to have to have her hair done as I just wasn't able.

30 May 2010 Sheri moved back from FL believe 2010 and bought a trailer west end of town then she had Jason come down and took a while to find a job but he finally got on at Mediacom so that was good job. in Nov. Wasn't there for long as had accident and lost his drivers licence for 6 mo.

Then think was 2011 she found a double wide trailer and bought that and she and Jason moved in there then in April Gayle moved in with them. Took a while for Gayle to find a job but she did but they kept cutting her hours so she found a job at a restaurant that was close to them and she had bar work there as well so will make more in tips. Then she found a job working hours on the internet for a company that helps with problems from Best Buy customers so she can do that at home which is good for her as doesn't have any way of getting around but for Sheri and she has been very bad most of the time since 2012 when she found out she had 4th stage MS and that has kept her down a lot.

So am looking for 2011 to be a better year then 10 anyway, know some things won't change but I hope my health will change for the better.

Few days before 19 May 2011 closing of the condo at The Manor and moved in that day. 2nd floor Unit 108. Put the house on Hillside up for sale in April and started \$125,000 but kept lowering it and sold it in Aug for \$110,500 which I said would go no lower. Condo paid \$83,500 so gained a little. W/garage. Condo goes from front to back with long living room, dining room and kitchen on one side and other side 2 lg bedrooms and 2 baths. Put office in the front bedroom and bedroom in back room. Had been told the house had 976sq ft but this realtor said was 1000. Condo has 176sqft so larger then the house. Charlie mowed the yard at the house for the 4 months as he bought my new riding mower. As far as I know this will be last move I will make till have to go to nursing home or cemetery. Went ahead and had the lawyer make up my will annd poa's and health living will \$100 then went to cemetery and got everything paid for there.\$5500.00. Even expensive to bẽ creamted. 2012 Getting settled in new condo. By Feb 14 Mom fell out of bed and brused her ribs real bad and waited 4 days to go to hospital and they kept her 6 days, thinking one of the ribs went into her lung as when she came home she had trouble breathing and eating and taking her meds so she decided it was time to give up and kept getting worse so the nurse thought she should go back to the hospital on 27th of Mar and they put her in hospice right away and she passed away the next day at 1:30. Charlie and I had been there and just before she passed Charlie went after his car so I was by myself. Sheri finally got hold of him at home and he came back by 3:30 and then called the funeral home and had to go down and sign papers and finish up what needed to be done there. Had called all the kids to come see her on the 27th as wouldn't get another chance so they all came and stayed until evening and Charlie and I left then and Came back the 28th and nurses said she probably wouldn't last the day. So Sheri and Gayle went on to the apt and started cleaning it out then Charlie and I came and got it done in 2 days so didn't have pay another months rent. Sheri took most of Moms furniture and I took her Duncan Fyfe dining table and chairs she had there. Her visitation at McGinnis was Apr 1st and funeral and burial the 2nd of Apr at Davenport Memorial Park cem. 2012. Mostly all Schurr's were there and many of Mom's friends. Charlie and I was listed as executors so we had to get all her paper work and get that done. We both were surprised she had as much money left as she did so we split what she had and talked to 2 financial advisers and put most of the money so wouldn't lose any but should get some interest and all the kids were added so they will be able to get anything that is left and unless I have any property they won't even have to do probate, just close out the estate. I did buy a newer car, 2011 Chevy Malibu and got 18,000 for the Olds and some of Marks discount so ended up paying about 19,660.00. Had almost 13,000 miles on the car. I had a new furnance and air cond. put in but that money came from sale of my house. Then bought new sofa. Mom had left the 4 grandchildren money and then each time I get money I gave the 3 of them extra money and told them that would be all till I was gone then if any left was all theres. Before Mom passed away I had all my funeral plans made and had new stone put in next to Mom and Dad's to look like Chucks and it was put together. I will be creamted and no service but buried in plot next to Chuck. Thought cremation would be cheaper then funeral but by time i got all mine done with Funeral home, cem and Organ donation and stones it was little over \$7000. But at least the kids won't have to do anything but put in the obit. My brother Charles will be cremated and be buried just below me in my plot. He has his plans done as well. The first census I was in was 1940 and was able to locate us still in Salt River Twp, Adair Co. MO. Taken 17 Apr ED 1 -20 Sheet #45 Household 85: Lowe, R Williard D head 24 b. Adair Co. MO farming. Both Benton Twp. Rural Adair Co. 1405 Bradstreet, Kirskville, Mo I decided I wanted to get on a bowling league the fall of 2012 so was able to do that at 30 lanes with a real nice team. Gayle and I practiced every Friday for almost 2 months so I was ready when the league started 2nd week of Sept. I had missed the first week. Think I will do pretty good and may even get back to scoring like I did 40 years ago. 2013 Have to say this year has been much better then last 2 anyway. Changed my way of eating middle of Feb to

	no Dairy, no processed foods, no Grain or Gluten and just eat meat and vegetables and fruit and lost 13 lbs and no pain anywhere and feel great after short while. Meditate every day, from cd's Sheri gave me and Walked around the complex almost every day weather cooperates. Then last of Jul decided to join the gals at the pool for swimming aerobics at 4-5 and first time stayed too long and got too hot and had heat stroke so was sick all night so waited few days till weather got out of 90's and then did go down so went back 2-3 times a week but don't stay the whole time. Bowling starts the first Thurs. of Sept. so looking forward to that. Haven't practiced during the summer but if do as good as did last year will be satisfied.
	May 2013 I drove to Bellvue to Faye and we stayed there couple days then drove to Manchester to do some research at the court house and library then went home by way of Delhi and Hopkinton cemeteries. Did finally find George Washington Lowes 3rd wife Ann Cook, buried with all other Cooks that we hadn't been able to find before. So I put all that info and pictures on Find A Grave site. Stayed at Faye's till Friday then came on home. Went there on Sunday. Was first time had gone anywhere for about 4 years I think.
	July 2013 started aerobics with some from the condo at the pool at 4-5 so getting exercise besides walking around the complex every day as well. Feeling so much better since have changed way of eating. First time had a bathing suit on in probably 40 some years as well.
	2 Sep 2013 started back to bowling at 30 Lanes again. Didn't do as good as would have liked but takes time to get back in the swing of things I guess.
	May 2014 Faye and I went to Galena, IL for few days to shop and go to court house and library but didn't find much there. But had a nice condo to stay in and had a good time.
	Started swimming exercises again last of May till end of Aug. Then started bowling the 4th of Sep 2014=Apr 2015. Hope do better this year.
	2015 had work done on my eyes, scrapped the corneas and had right cataract removed and all went well for that. Didn't have any problem with retina in right eye.
	Started swimming exercises last week of May till end of Aug and will start bowling 30 Lanes 2nd week of Sept. After finished bowling in Apr they started free bowling lessons at Miller time free and \$2 for each game so I started that 2nd week of May and goes to 2nd week of July. Got to doing pretty well. So am hoping 2015-2016 year will have better scores.
	Beth Peters from downstairs got sick about Oct and passed away 2nd May 2015. Same day as KY Derby. Visitation on Monday. She was 73. A week later Faye Francis of Bellevue had a bloodclot in her left side of her Lung that ended up in her brain and ended up in hospital for about a month and wasn't able to talk so had to have Therapy to learn to talk all over again. abt last of May they brought her to nursing home in Bellevue and had to have therapy. Still can't talk well and only can say single words and no sentences as yet. I went to see her the 2nd of June 2015 for the day and since I had to talk all the time it was tiring as she couldn't carry on a conversation at all. Went again in July for a day and then she finally was able to go home the last of Aug so I went to see her at home on the 11th of Sep. and she is talking better but has a ways to go yet.
	When I got home called Sheri and found out she was in the hospital again with breathing problems and was hoping to get home but they kept her over night and she did get home abt 2pm next day. Larry and Jason was to put up some plastic to keep rain out. Then Sunday Sheri and I were to watch Little Charlie while Jason was at ball game but Gayle said she would keep him during the game and we could watch him at half time so they could eat. So worked out okay. (13 Sep)
	We had a family supper at Sheri's the 2nd of May also so had to tape KY Derby and watched it when got home.
	Apr 2015 Started working on genealogy books to update them so could send them to different libraries and that is lot of work. Did finish the Meek books and had 5 of them to send to Vernon, IN Jennings Co. library. Will have more to send there now later as get them ready. Trying not to do so much research as this is taking most of my time. Rest of the books sent to Ft Wayne IN.
	2015 May thru Sep we had swimming exersices every day during the week when weather was okay. Also had 10 weeks of free bowling lessons at Miller Time. Started bowling 10 Sep 2015 to Apr 2016 and didn't do too bad so lessons must have helped.

Sheri had the four of us at her mobile home for dinner on Christmas Eve and we had a nice time. *over →*
So she thought would be nice to get together New Years day, all the family which neither of them have done in years.
She had Larry stay with her for few weeks as was not doing so well.

1 Jan 2016 we were to there for brunch and visit, and I got there by 12:30 and Larry said she was still sleeping as had a bad night but I didn't go in to check on her till 1:30 and since she hadn't had oxygen all night she needed to get up and when I went in found her on the floor between the bed and dresser and had already passed away, which is why Larry didn't follow me in I know.

Called the police and they called funeral home and she was to be cremated so I got all the papers ready and paid for it. Just as I had gone in bedroom Gayle came in and had to call Jason as he hadn't gotten there yet and they were suppose to have been there by noon. She would have been 60 on the 7th of Feb. She already knew that Jason and Danielle was going to have a baby girl around 3rd June but no one knew was going to be named for her, but at the last minute Danielle said she wanted her named Lillie Sherynn Houser and she was born on 3 Jun 2016.

I had swimming exercise every day during the summer and then started bowling again in Sept. for the winter so guess will go that way till can't any longer.

I moved to a downstairs condo #403 the 16th of June 2016 and have had the other one on the market since then so hope will get it sold soon. Had everything done in it and they wanted me to put in new carpet so did that and still waiting for buyer. Hasn't sold in 6 MO with Maxine so called Dick Car who sold Moms house and maybe he can sell it, then Carol McDivitt has son that is suppose to bring people in as well so sure hope it goes soon. I ended up having to put new carpet in condo 108 as said would sell better, so far not. Did sell it 1 week after Dick took it over.

Condo 403 I had to put in new carpet in living room to cover the bright rose carpet that was there and had it painted tan. Left the carpet in the bedrooms. 3 days after moving in the refrigerator went out and so had to buy a new one and found out the dishwasher was 20 yrs old so bought a new one and had to put a new stool in the master bathroom and still have an oven to put in but wait till I sell the other condo. Furnace and air cond. about 10 yrs old so as long as I will probably need it so won't replace them. She did put in a new washer and dryer and new counter top in kitchen and new floor in kitchen so it all looks nice and will look nicer when I get all my genealogy books sent to Ft. Wayne then won't look so crowded.

Ended Swimming exercises over Memorial as they closed the pool till next summer.

Sep 8, 2016 started bowling thru Apr 21 2017, not starting out too good but hope to get better. then swimming exercises every day thru summer.

Sep 2017 Have about half of my books sent to Ft Wayne and still half to go. Started bowling again at 30 Lanes every Thursday. Started okay then not so good then got better again so usually holding a 120 average which isn't bad. This is 6th year bowling and 6th year have been at the Manor and 4 years exercised at the pool. Still walk around the complex every day if weather okay.

Oct 2017 Found a Dr at the Trinity Hospital in the pain clinic to get cortasone shots in my right leg that have had pain in for over 5 years as no other Dr would do it. Had shot in 2 places and 3rd one in Dec then should have no pain in my leg. Only have back problems so have to be careful what I do but able to do everything I want to. Have been working on computer almost every day to get my books done so could send them to Ft Wayne. Started with about 170 notebooks and have sent about 94 books and have almost 76 or so left to go. So hope in couple years can have them all done (at least that is my goal). Taken 6 years to get others done. Appears some books take more then thought they would to send them to the library.

Talk to my 3rd cousin who lives in Bellevue every day. She had a stroke 2 yrs ago May and had to learn to talk all over and had a hard 1st year but 2nd now she is doing so much better. Visit her every year now since she doesn't drive much she can't come here like had been doing for several years. She is only one left in her family and has lost 1 son and has 1 son living in Neb. We have been doing genealogy since around 1990-92 since we found each other. I have been at it now for 48 years since 1969. We accidently met when a Great Uncle of hers died about then so met another 3rd cousin who lived in Des Moines at that time and we had traveled a lot to many places researching then few years ago June died then her husband died so just Faye and I have kept up with everything. Ralph had done research on our Lowe family for many years and I had met him while in Bettendorf after Chuck got out of service, he somehow found me and they visited here on their way to Chicago to see the King Tut exhibit and then when we moved to Texas he and his second wife came to visit us there as well. Which was sometime after the first meeting with him when I found out about Faye Francis

and June and Bob Beals as they had been doing research as well for few years and then we started going places and doing research together until June started alzheimers. Then Faye and I went a lot even after that and before that every year once or twice we went to Des Moines to see June and do research there as well.

2018 Started out okay for me but Gayle and Steve having problems and Jason and Danielle also. But finally things got Better. Gayle started work at Wal Mart in the Warehouse and stoking shelves last Nov. Steve left Eldridge Co and going to work for Sylver Steel in Bettendory. and Gayle went to 4 days a week as just too much strain on her back for 5 days. I started swimming exercises end of May thru end of Aug. Then first Thursday started bowling again on Thursdays.

Did have one nice trip the 2nd week of Aug as we all met in KY for Caanan's 35 birthday on the 12th Aug. Brittany, Sergio and Emeryson from CA flew in and Misty, Mat, 6 kids of 8 all came from FL and Gayle, Steve and I drove from IA. All stayed a week. Brittany and I stayed at Randy's as abt 15 min away from Caanan and Kristines house and rest stayed there. Most of the days and nights were spent at Randy's as his place was bigger and had bigger pool. He BBQed and we had other meals and things to do so all worked out. First time I had seen any of the gr gr grandchildren or met Sergio and Matt so all was really nice. Atb 8 hrs to drive from here and 10 hrs from FL. The fun part was the last day, Caanan asked Kristine to marry him down in the woods where we had the fire one night. She was so shocked. They plan to marry maybe next Oct in CA.

We all keep in touch thru FaceBook since I went on it last year.

I have spent the last few years redoing all my genealogy notebooks as found I could send them to the Ft Wayne IN library. Working on the very last ones of my family as I left them till last then they will all be gone. I had a goal of getting them all done by Dec and even exceeded that as will be a couple weeks all will be sent. Then will have to start cleaning my condo as not done much since moved in. And also will do a little research to help my cousin Faye out on some lines she wants to work on as long as her health stays okay. She has been awfully tired since her stroke but don't think that is all of it. She lives in Bellevue and is 2 yrs older then I am and up to this year had went up there every year. I think the trip to KY will be my last on the road.

CHILD 1	- SheryInn Kay "Sheri" Houser Added her bio and a pic of Sheri in Find A Grave Feb 23, 2017 Memorial # 176650251 (right now only way to get her on there is by using the Memorial #, hope I get it right soon) You can get to her father and brothers also from her number as put them in same time. Sheri started school in Davenport, IA and also went to school in Bad Nauheim, Germany for a year and then Murnau, Germany for a year. She picked up German very easily and in high school she took German, French and Spanish. She spent two years in Aberdeen, MD and came back to Davenport schools then graduated from Bettendorf high school Jan 1974 then she went to Scott Community College to get degree in Auditing, which she never used. Her only son Jason was born in Iowa City just after she graduated from College. His father was Tom Mapes and they never married. She lived in Minn. for some years after getting out of school then lived in TX for few years, Dallas and San Antonio where she worked as an insurance under-writer. Was a short time in Waco. This was about 1981 to 1988 when she moved back to Davenport, IA for a short time then went back to Duluth where she worked in insurance for a while then moved to Virginia, MN where she was asst. manager of a Hardy's for a while then had to quit work for while and planned to go back to school but hasn't yet. She and Jason like it there real well. He has had some trouble but is getting along okay now. They go camping in the summer and they have birds and Sheri has been painting the last few years so they keep busy. Jason just started a paper route this fall to give him some spending money. 1990-91 he is in the 6th grade. 1993- They are still living in MN and liking it. Sheri is working and Jason is in 9th grade, just turned 15 this summer. 1996 Jason turned 18 in June and is working full time and has his own apartment and things going okay for him and Sheri right now. 1996 Sheri bought a house in Virginia after she went on disability after finding out she had chronic fatigue syndrome, not life threatening but wasn't able to work and she got quite a bit of back disability with which she bought her house and a better car. She started working on her weight and by Mar 1997 she has lost over 95 pounds. She is feeling fairly good but has bad days as well as good. They claim this is a life long situation, won't get any better but could get worse. So she just takes one day at a time. 1998 Sheri and Jason were back for Chuck's funeral for a week. They got a computer and have been busy with that this year. 1999 Sheri has had her ups and downs but thought she may be able to work part time so started at a computer store in Jul. so will see how long that will work out. Jason has an apartment with 2 other boys and working at a place like 7-11 there. She came home for Thanksgiving for a week but Jason couldn't come and all was together. 2001 Things do change. Sheri had worked on her house she bought in Virginia for last couple years then decided she needed a change so bought an 18 ft motor home and decided to travel for year or two if it would work out. She left Virginia the middle of July and came to Bettendorf to spend some time with mother before going on then visited her father for while then on to who knows where. She is to keep us posted. Jason stayed in Eveleth and working at pizza place for now. and by Dec 2001 Sheri found a place in East Point, FL and liked it so well decided to stay thru next winter. Jason moved to Longview, WA with a friend and is working at a Dairy Queen there and seems to like it real well. 2002 Things much the same with Sheri but she did buy a truck as her car was not in good shape that she could pull with the motor home and stayed at East Point during the summer and now this winter 2002-2003. She had worked part time while there at a store on St George Island to pass the time as well. Her health has been up and down this past year also. Jason back in Mn and going to college for computer programing. 2003 Sheri came to Iowa for few weeks and went to MN as well. Still working part time at the store.

2005 Still in FL, had rented an apartment for about a year then in spring of 2005 she bought another motor home, better and larger then one she had before she moved into the apt. She just didn't like apartment living so was lucky to find another motor home that she could afford. She came to Iowa in Nov of 2005 and stayed between home and MN, visiting family and friends until Jan of 2006 when she went back to East Point, FL. Been bad hurricane season this year and they had 3 in the Gulf but none did any damage to her but the lot she was renting did get damaged in the first hurricane so she had to find another place and did but much more costly and by Nov she plans to be back to first one she was at. 2006 She wasn't able to work this year but few days as had several bad months with health problems. No hurricanes in her area this year. 2007 Came back to Iowa 2nd week of April to visit with her father who was dying of lung cancer, bone, liver and brain as well in Mason City and stayed off & and in Bettendorf also.. Fast moving cancer. She is hoping to be able to work when she gets back in May this year. 2010 30 May, Sheri packed up from FL bought a trailer in Davenport. Her health had not been all that good for quite a while and so she decided maybe time to come back to this area. She had bought a van camper thinking would travel but health too bad now for that. Nov 2010 she had her son Jason come to live with her and see if he can get work here as hadn't had much in Duluth. 2011 She bought a double wide trailer down off Waverly and so she and Jason moved there. Then I think April 2011 Gayle moved in with them. 2012 Jason moved out with a friend. Just too much going on with all of them there. 2012 she started going to Dr and thru 2013 having some test done to see if can find out what is going on as she has not been feeling well the last 2 years. Well she found out she MS in the 4th stage which is bad usually but they said she wasn't as bad as could be but will have spells off and on as not much can do and has probably had if for 30 years so. They have been working on Chronic Fatigue Syndrom and Fiebermalgia and not looking for anything else till it got so bad she had to do something. 2013 Still doing testing but only thing they think will work is chemo and she isn't going to do that and changing her diet which we all did in Feb and I have kept it up but Gayle and Sheri has kind gone off it as Sheri is trying to concentrate on quitting smoking and having a harder time this time then last. Gayle is just lost so she didn't think anything would help her. Waiting for someone else to fix what she has to fix herself and can't seem to get that thru her head. Sheri was a grandmother 28 Nov. 2013, which happened to be Thanksgiving Day this year. Jason and Danielle Andresen to have a boy they are going to name Charles (after Chuck) Gwen (after her family) Houser. Will get md sometime I guess. He weighed 7pd 13 Oz 19 in long. So far is healthy. Head of long black hair and very filled out. She would have been a grandmother again the 3rd June 2016, Jason had a girl Lillie SheryInn Houser. Almost a week later on Wed her dog Toby died at age 14. (After Charles was born) He had been sick for a while and know was acting different for while but didn't think was close to dying. Took him to Vet but couldn't revive him. He will be cremated but not sure where she is going to bury him. 2014 Gayle has her own trailer and Sheri has rented the front of her trailer to 2 gay guys with a special dog looks almost like Toby and seems to be working out good. Jason is still there but suppose to be out by 1st may as he has had no job since last year when Mediacom wouldn't take him back in Jan. Now it is April and Sheri has gotten a Quaker parakeet to keep her company. Less work then a dog. But found she was alergic to feathers so gave it to Jason. Then she got a dog but he was too wild and so had to take him back to shelter as he required too much for her to take care of. 2014 Sheri found out she has 4th stage M.S. since end of last year and they said she has had it probably some 20-30 years but just now getting worse. June 2014 Sheri came up with starting a charity called Quad City Plant Deva's and got a lot of people that have wanted to help her with it. Getting plants from all the stores that throw them away at end of the season and so they said she could have them so she could give them away to people that can't aford to buy them. Then by 2015 she wasn't able to do any of that as she was not having many good days from MS. and suppose to be on oxygen 24/7 and she had trouble with that.

CHILD 1 - SheryInn Kay "Sheri" Houser (Continued)

She had just the four of us at her place for dinner on Christmas Eve which we had never been before, thought rather strange but had a nice time then she said lets do it again for New Years day all the family for brunch so had planned on it but didn't go as planned.

She knew she would be a grandmother again as Jason and Danielle were going to have a girl this time 3 June 2016 but didn't deter hier plans anyway I guess.

Whole year of 2015 was not good for her and had went to many Dr's and none of them could or would help her and finally the MS got the best of her and on Friday afternoon Jan 1, 2016 at 1:30 she passed away unexpectly at home with her son, Mother, brother and sister there.

She will be cremated by Runge Funeral Home, no service. Just 1 1/2 month shy of age 60.

Her obit was at Runge Mortuary internet site and also Quad City Times paper.

In Memory of SheryInn Kay Houser

Feb 7, 1956-Jan 1, 2016

"SheryInn Kay "Sheri" Houser, 59, passed away unexpectedly at her home Friday, Jan 1 , 2016. Her Mother, brother, sister and son were present.

As for her wishes, she will be cremated and there will be no services.

Runge Mortuary is assisting the family.

She had been sick for many years, but always managed to make a life for herself up until the last battle with MS took her down the last four years, and no one seemed to be able to help her, but she fought it with her last breath.

Sheri was born Feb 7, 1956 in Davenport, Iowa, the daughter of Jerald Larry "Jerry" Houser, dec'd 7 April 2008, Mason City, Iowa and Gladys L. (Lowe) Houser.

When her mother remarried in 1965, they spent two years in Germany and one year in Aberdeen, MD and then back to Bettendorf, Iowa and she graduated from Bettendorf High in 1974 and then went on to study accounting and business management at Mary Crest and Scott Community College, an Augustana. Before her health got too bad she moved to Virginia, Minnesota, Dallas, San Antonio, Texas where she worked as an insurance underwriter until she moved to Florida for nine years, then the last four years she was back in Davenport IA.

After she moved back here and was not able to work, she took up making jewelry, outdoor yard art, working in the yard and loved to read and travel and helped her mother do research on her dad's family and her mother's family.

Those left to honor her memory include her son, Jason B. Houser (Danielle Andreson) and their son Charles Gwin Houser of Walcott, Iowa, her mother, Gladys (Lowe) Treadway, of Bettendorf, Iowa, sister, Gayle R. Bush of Davenport and her three children, Misty (Matt) Parenzan and their six children.(they have 9 now in 2016) of Florida, Caanan S. Bush, Seattle, Wash, Brittany R. (Bush) (Sergio) Mallas, of near Los Angeles, Calif.; her brother Larry M. Houser, presently of Davenport, as was living with his sister to help her; her Uncle Charles E. Lowe, Rock Island, IL and his son Mark E. Lowe and family her Aunt Mary Ellen Miller, Corydon, Iowa and her Uncle David Miller and family of near De Moines, Iowa; Step grandfathers three children from former marriage.

She was preceded by a brother, Mark Allen Houser, who died shortly after birth 1962, her father, Gerald L. Houser, his parents and her stepfather, Chief Warrant Officer 2 Charles L. Treadway dec'd 3 Mar 1998 and Uncle Marion Dale Lowe who died in infancy 1950. Her grandparents, Willard H. Lowe and Rovene Melvina (Dyer) Lowe Schurr and step grandfather, Harold G. Schurr.

Memorials may be made to the family to go to her favorite charities."

Last time we were togther was Christmas Eve for dinner at Sheri's then she planned to have all of us to her place on New Years Day an that was the day she passed away. Police said lack of oxygen among other things.

(thought was so careful and everything was right then found listed stepfather instead of step grandfather. Hope got all mistakes replaced. Guess you can't win them all)

CHILD 2 - Larry Martin Houser

Larry started school in Davenport, IA then went to school in Bad Nauheim, Germany for a year then Murnau, Germany for a year and two years in Aberdeen, MD besides back to Davenport and Bettendorf. He quit school and went to South Dakota to Job Corps training to learn Waste Water Treatment and Forestry. He was in Joplin, MO for a while then came back to Davenport. He received a licence to operate in wastewater treatment plant which he did for a while when he came back to Davenport, but didn't care for it so decided to hang dry wall which he has been doing ever since.

Notes	CHILD 2 - Larry Martin Houser (Continued) Larry had open heart surgery in 1969 at the age 11 while we were stationed in Aberdeen, MD at Walter Reed Hospital in Washington DC. Came through it great, after two weeks he was back in school doing just fine. He met Becky in Davenport and they were married at the Berean Baptist Church at 13th and Clark St in Davenport. The reception was held at her parents home after the wedding at 1441 N. Lincoln. The wedding rehearsal supper was given by Larry's parents and held Friday night 25 Nov 1977 at Chef's Hat on West Locust St. A shower was given for Becky at the home of the maid of honor on 15 Nov. Larry was working for the Wastewater Treatment plant at the time then got laid off then went to work for Treadway Texaco besides hanging dry wall. There wasn't a lot of work so he decided to travel and hang dry wall where ever he they worked in CO, FL and 1982 came to TX, and lived in Carrollton, TX for a while then to AZ for short time and back to Davenport. He worked between there and Chicago and then went to PA in 1988 to work. He and Becky had no children. By 1989 he was divorced and went to live in Hazelton, PA and work there as was much work hanging dry wall at the time. He met Diane Froymoyer and after a while they moved in together and Larry was helping her raise 2 of her children. Which is where he is living now.-1993. (off & on 1995). Larry & Diane were in Bettendorf 1992 and Larry came alone in July 1995. 1997 Jan, Larry came back to Bettendorf and going to see if any work here. He went to stay with Gayle for a while then she moved out and he kept her apt. and found work off and on. 1998 still in Bettendorf and working. 1999- Still working some and living in Pleasant Valley for the time being. His open heart surgery doesn't seem to have slowed him down any but he does have a lot of back problems so probably in time he will have to find something else to do. 2001-02 Still working in and around Davenport and living in Pleasant Valley. 2005 Nothing has changed for him. 2010 nothing changed, still living in Pleasant Valley and doing odd jobs to keep going I guess. 2011-12 still the same as before. Living in Pleasant Valley. Did buy Sheris motor home in hopes to fix it up so he could use it but again needed more work then they thought. So he will use it in PV. But decided it cost too much so sold it. 2016 still living in Pleasant Valley when he isn't working out of town someplace so nothing much has changed for him. Except when his sister died 1 Jan 2016 he decided he might be wise to quit smoking if could go thru what she did. Don't know if he has or not. CHILD 3 - Gayle Renee' Houser Gayle started school in Bad Nauheim, Germany and then went for a year in Murnau, Germany and 2 years in Aberdeen, MD besides Davenport and Bettendorf. Gayle left school when she had 3 months left to graduate but didn't want to finish. However while she was in TX she did get her GED so she has her diploma with no problems. Just breezed thru the test. Gayle moved out when she quit school and was living with Daniel Gentile and had a daughter Dec 1976 by him but couldn't raise the child so put her up for adoption. Had note that friend of lawyer Mrs Crutz set up adoption and she was adopted by Robert Hastings. She, Misty didn't find out she was adopted until 1996 and then wanted to meet her biological parents so it was arranged. Mother gave her the name of Maria Donata Gentile. Adoptive parents named her Misty Gale Hastings. Gayle had various jobs and many problems which she had to work out herself. She and her sister Sheri came to TX in 1981 and Sheri went to Dallas and Gayle stayed in Gatesville where she met Randy and they were married 1982 and had 2 children and couldn't make it work so she left and the children stayed with Randy. She went back to try again but didn't work so she moved back to Davenport and went to work. Her sister came back also and they had an apt together for a while, until Sheri moved to MN. Gayle met Tom and started going with him and they had a nice house in Park View and she had the children during the school year and Randy had them or the summer. Then things started going bad and kids went back to California

	to their dad's for a while and then by Jul 1993 Gayle was to have them for 2 years. She got an apartment in Park View again and had a good job working as secretary for a small company dealing with golf equipment. Likes it real well.
	1993-Caanan is 10 and in the 5th grade and Brittany is 8 and in the 2nd grade at Neil Armstrong School in Park View.
	1994 Nov, Gayle moved to California and Randy and his sister in law said they could get her a job at AMJAM where they all worked so she went there but things didn't work out and wasn't able to get a job there and nothing else paid enough to stay there as living is so high there. So Jul 1996 she came back to Bettendorf and started working at Ross's again then got a couple part time jobs and will get her own apartment again prob. by the first of Sep. Caanan and Brittany came to spend 10 days from 17 Aug to 26th of Aug. They flew by themselves from CA. Caanan just turned 13 and will be in 8th grade and Brittany just was 11 in Mar and she will be in 5th grade.
	1996 Aug, Gayle moved back to Bettendorf, IA and started work at Ross's. Moved into her own apartment downtown so would be closer to work by Sept. Shortly after that she met Rick and has spent much of her off time with him at his home in Moline.
	She ran into someone that had information about the daughter she gave up for adoption and said she had been looking for her biological mother and gave Gayle her phone number and Gayle called her 17 Feb 1997, on Gayles birthday and had a very nice talk with her. She lives in Glendale, AZ and was married to Nick Perry and had a son Travis, 6 months of age. They were going to exchange pictures and keep in touch.
	Mar 1997, Gayle brought Misty and Travis here (Mother & Dad's) for the afternoon 16 Mar and had a nice visit. It was unreal who much they resemble each other. Travis was very well behaved and was very happy. She said he was usually good. Was just 7 months old and very stocky but is just crawling and rolling around now. After they left here they were going to her fathers, Danny's folks for while then Danny was going to take them out for supper. She will have quite a trip to remember but she seems so very well adjusted and at least doesn't have any of Gayle's bad traits and she is well pleased with the way she was raised and her parents but just wanted to meet her real parents, which in this day is normal for most adopted children it seems. With so many health problems it may be for the better.
	Caanan and Brittany and Misty were all at Gayle and Ricks in Jul 1997 and again in Jul 1998.
	Gayle went home to stay for while until she found a full time job in Aug 1998 then by Oct 1998 she found a job and got an apartment in Moline. Started working at John Deere Insurance Co. full time as temp but hoping to work into full time permanent.
	1999 Still working at John Deere and taking computer classes to see about permanent job but needed the training first. Brittany come this summer and Caanan wanted to stay in CA and work. Brittany stayed about 6 weeks 6 Jul to 16 Aug 1999. Misty was planning on coming also but she had a baby the 3rd of June, Bryana Nicole Perry so she had to stay in AZ. this summer.
	Oct. she starts new job at John Deere, so hopefully her training will pay off. Sure good pay plus several benefits so hope it works out, should know for sure in Jan 2000.
	2001 Gayle still working at John Deere and hoping to get her drivers licence back by Sept. but didn't. She went to CA to Caanan's high school graduation in June and enjoyed that. Neither kids will come this year as Caanan is working at drug store developing pictures till fall when he will go to Community College and Brittany is working at Subway so wasn't coming either. Misty came up for grad. also from AZ then Brittany did go home with her for few days.
	2002 June Gayle flew to AZ to see Misty and Travis and Bryana and Caanan and Brittany flew from CA to spend the week with them and all had a good time.
	1 Nov 2002 she moved back in with Rick again to see if would work which it didn't so she bought a condo in Coal Valley. Ended up selling it and moving in with sister Sheri.
	Oct 2002 Randy went to work in Puerto Rico for 3 years and was to come back to CA for Xmas then all family was going there for vacation then Caanan was going to stay there and Brittany and Arla were flying back to CA. Caanan maybe plans to stay a year. He started working at Amgam where his father works this summer and will work for them in Puerto Rico as well. What an experience.
	2005- Gayle met Terry first part of year and Oct moved in with him. He has a home in Coal Valley and she is going

to rent out her condo. She was going to CA in Nov to see the kids but they decided it was better for them to come here in Mar during school break and they could see everyone as hadn't been to Iowa in few years.

2006 still working at John Deere and in June she broke her neck when diving in her pool and so was in brace for several weeks then in Sep she had surgery on her neck.

Not sure which year John Deere sold insurance business to United Health maybe 2007 but she was able to keep her job.

Did not have good years as back to drinking and spent some time in jail and out 2009 she met Phil and from there down hill all year.

28 Dec 2009 was picked up for drinking and driving and stayed in jail in Rock Island till Feb then they sent her to another place for short time then was sent to Decatur, IL for rest of her sentence which was 4 years but shortened to a year or yr and 1/2 not sure. She had to have some take care of her business so she had the owner of the Condo do it. Renting the condo and then will probably sell it when she gets out. She lost job, dog, cats and basically her life for while and probably won't help much after she gets out unless she has really changed.

She stayed with someone for while then went back to her condo till Apr 2011 and moved in with Sheri and Jason in Sheri's trailer. Got a job at one place but they kept cutting her hours so she found another job at a restr. that was closer to them and was able to get full time work there and with tips should do pretty good.

Was able to take a trip to FL to see grandkids as Misty paid for her plane ticket so she did that before she started looking for work after moving in with Sheri.

2013 Still at Sheris and working on internet from home so doesn't have to get somewhere every day. Has her share of boy friends or at least male friends so does get out but still having a problem with drinking and guess she always will I think. She had a week of running around in June with former male classmates from high school reunion that she helped get together so took the week off work which she could probably use.

Misty and Matt had a boy they named Sage last of May but he died in couple days of undeveloped heart and they couldn't save him.

Gayle says Brittany is doing real good and living with her boy friend Sergieo and doing makeup and hair and has a gig with a TV show doing that for 4 of the stars of that show. Find out later what is I guess (July). Caanan is still living in Seattle but sort of living like Gayle did and sure hope he realizes it soon he can't live that way or will be in same fix as Gayle has been all her adult life.

A neighbor next door to Sheri was going to sell his trailer early 2013 and said he would sell it to Gayle for \$4000 so thought it was a good deal but when got into it it needed more then she could handle but decided to keep working at a little at a time and will get it fixed to suit her soon. She just couldn't stay at Sheri's any longer as they just weren't getting along and Gayle and Jason were drinking more also.

But finally by Apr 2014 she has decided she needs help and got signed up for Medicare as Sheri has so she can get medical treatment and try to get her straightened out. She lost her job with Best Buy on internet as she was doing a another job she should have been doing so decided to take unemployment until she gets back from a week in CALifornia to see the kids the last week of Apr then she will start looking for another internet job. Misty is coming from FL and Caanan is coming from Seattle and they will stay at Brittany's outside Los Angeles.

Aug 2014 Gayle finally got another job on the internet which pays more then the other one she had and thinks she will like it better. Going to Therapy and shortly will start meds to help her depression. That didn't work out as she said it was no help. So still drinking.

She was told Brittany and Sergio Mallas became engaged this summer and going to be married next year but don't know where as yet. CA, Mexico or maybe even KY where her father is. They will be married 14 Nov 2015 in Cancun, Mexico. Sounds like all her family will be there.

Gayle back with another guy and both of them drinking allnight and fighting and arguing all the time so can't understand why she can't get along with anyone. Jason drinking with them all the time too.

Notes

CHILD 3 - Gayle Renee' Houser (Continued)

May 2015 She started thinking about moving to Gatesville, since the Bush family is there that she knows and thinks can start a new live. She needs to start it before she moves if she does. That also may not come to anything. Probably nothing will come of it.

Quit her last job in fall and couldn't get another one because thought too close to the wedding and she had that paid for so didn't want to start something and then have to leave.
Here it is last of Dec 2015 and she still doesn't have a job but back with Steve and he is probably supporting her again. At least they seem to be getting along better but both still drinking too much.

1 Jan 2016 her sister died and Jason didn't want her mobile home so Gayle and Steve bought it from him and then sold her mobile home but didn't last long with Steve as they just weren't getting along so she told him to move out and she found a lady that was working as therapist in a nursing home to move in and help with expensis so that was good. Think she can make it that way.

Gayle living with Steve Philips in Sheri's trailer and fixed it up really nice. Sold her's.

2016 She finally got a job where Jason is working but has to work nights but its a job and she has a car to get to work, now just has to get a licence but has to have oney for lawyer to do that so she plans to do that when she gets her money in Feb. Then she has one more year she will get it and that will be all the extra she gets from her dad's estate. I think that made a change in her as well as she has finally decided to stop drinking, , going to AA and has a good sponser so hope it will last.

The year is almost over and now Oct. she has decided to try to quit drinking so going back to AA and will need to to get her licence probably and she needed to quit anyway as she finally realized.
It was no life living like she was.

22 Nov-29 Nov 2016 went to FL to see her daughter and 9 granchildren for Thanksgiving. They wanted her to come so was able to get off work.

Nov 2017 Gayle started working in stock area in Walmart on West Kimberly 2 to 11. Same time Steve was working at factory in Eldridge. Okay at first as wanted same hours so could go together to work and home in winter if bad. As didn't want to put ore money into the van but then something didn't go right and so had to get the van going again anyway. Won't go into all that.

Just glad they both are now working and getting along good.

Caanan was suppose to come for Thanksgiving but they decided to go to Nashville then to KY and Kristine had to go back to Seattle for a week for work so he went with her and then should be here about the 2nd week of Dec. will see. Gayle has his 2 cats so they have to come sometime to get them. then going to find a place to live somewhere between Louisville and Nashville so are the plans now. Kristine has kept her job all the time they have been traveling since June from Seattle but has to go back every 6 weeks. So Caanan weill have to find a job whenever they settle where ever they decided to.

CHILD 4 - Mark Allen Houser

Info from parents. Mark was born with a defective heart and their was no way could be corrected. He was sent to Iowa City but wasn't anything they could do either. He was cremated there. And buried in Babyland in Davenport Memorial Park cem. Davenport, Scott Co. IA.

Notes

HUSBAND - Joseph Rolla "Joe" Shull
MARRIED: 18 Oct 1953, Las Vegas, NV.

Joe and Gladys were divorced 1 Jul 1954 Davenport, Scott Co. IA. Our son was born Aug 1954 in Davenport, IA and was given up for adoption at that time. I wasn't able to take care of a child nor was he so thought that was the best solution. I also took my maiden name back at that time because of the short duration of marriage. Probably should have gotten it annulled right away but hadn't thought of that at the time but had later.

The marriage was a mistake from the beginning I think. We were in CA and hadn't known each other very long and Joe liked Anna, my friend I went on the group with then he decided he liked me and after while we decided to get married and come back to Iowa. We didn't know that much about each other and by the time we got back here and got an apartment his personality had changed greatly and was so jealous that I couldn't even talk to my brother and he was accusing me of talking to every man around and I couldn't go out of the house but what he thought I was having an affair with anyone so I had enough by Jan so I left him and got a divorce. That was not a good time.

He had remarried and last known lived near Waterloo, IA (1965) I knew this because after I married Charles Treadway, he was in the Army and had Top Secret Clearance and before we went to Germany in 1965 I had to be cleared as well and so they had to locate Joe. Still never really knew why but Chuck had to go talk to him and they had located him in Waterloo, IA at the time.

He was from IL, and his parents and family lived there some years ago. We were with a group selling magazines to California and decided to get married in Las Vegas and come back here, which was a mistake all the way around. You know how you do some stupid things in your life, well I believe this was the most stupid thing I ever did. I have no picture of him nor did I take any pictures during that time period of us or me at that time.

I would hope he had changed with his 2nd marriage as he had 5 children from that marriage and he had married Ardith Howell 10 Jun 1956 at Cedar Falls, IA and they were still together in 1984 at this death.

I located his obituary from the Waterloo & Cedar Falls Courier newspaper May 2005 after looking on the internet for his name from Waterloo paper and wrote and they sent it to me which was dated 12 Sep 1984 then another brief notice of services dated 13 Sep 1984. A picture was included with the obituary.

"Joseph Rolla Shull --- Services for Joseph Rolla Shull, 56, of 223 Elm St., will be 3 p.m. Friday at First United Methodist church in Cedar Falls. --- Mr Shull was born Dec. 16, 1927, at Moline, Ill., son of Elza M. and Lydia I. Shunk Shull. He married Ardith Howell June 10, 1956 at Cedar Falls. --- He was owner and operator of Packer's shoe Repair in Waterloo. He was a veteran, serving during World War II and the Korean War. He was past noble grand of the Order of the Odd Fellows and a life member of the VFW. --- He is survived by his wife; three sons, Michael Wayne of 1428 Lafayette St., and Dennis Kurt and Neal Eric, both at home; two daughters, Lezlie Elaine and Amy Evalena, both at home; three brothers, Edward of Minnesota, Richard of East Moline, IL, and Walter of Kansas City, MO and three sisters; Marjorie Race of East Moline, Ill, and Sara Short and Pheobe Pirmann, both of Moline, Ill. --- Friends may call at Dahl-Van Hove-Schoof Funeral Home from 7 to 9 p.m., Wednesday, 9 a.m. to 9 p.m. Thursday and 9 a.m to 1 p.m Friday and at the church for an hour before service Friday. --- A memorial fund has been established in his name."

2nd notice was: "Joseph Rolla Shull --- Services for Joseph Rolla Shull, 56, of 221 Elm St. will be 3 p.m. Friday at First United Methodist Church in Cedar Falls. Private burial will occur at a later date. --- Mr Shull died Tuesday morning at St. Francis Hospital. --- He came to the metro area in March of 1956 and was employed by Rath Packing Co. from then until 1967, when he bought Packeer's Shoe Repair. --- Friends may call at Dahl-Van Hove-Schoof Funeral Home in Cedar Falls until 9 p.m. Thursday and from 9 a.m. to 1 p.m. Friday and at the church for an hour before services. --- A memorial fund has been established."

No mention of where the burial was or when took place.

Apparently I had written Mom and Dad a letter in 1953 where listed all of Joe's family.

Lowe & 3rd to Ardith Howell in 1956 Said Elora died at birth and would be 45 yrs of age and Elvin died at birth and would be 47 in 1953 under my info before WIFE - Gladys LaVon Lowe * I was born on a farm just outside Kirksville, MO belonging to my grandparents, Henry and Laura (Thompson) Lowe, where my parents were living at the time. Sadly there is nothing there but the land now. All the buildings have been torn down several years ago. My next home was on a farm near Bullion, Mo which wasn't far from my grandparents farm. My brother was born there and we lived there until 1940. My dad was on the School Board there and the school was close to us so I started kindergarten there, even though I wasn't 5 years of age yet. The summer of 1940 we moved to Rock Island, IL where my Dad thought he maybe could get a job. Making a living in MO was hard so thought it would be better in Rock Island. We lived about three places while there. I started first grade there, even though the school said I should be in kindergarten, they let me go. My mother told them if I couldn't do the work they could put me back but they didn't have to. My Dad got a job at the Sturdevant Dairy and worked there until 1945. In 1942 we moved to a farm near Hillsdale, IL where he farmed and also worked at the Dairy plant. March 1945 we moved to a farm near Maysville, IA where my Dad farmed on the shares with Mr Art Meints. We went to the Allens Grove Twp. school, which was a one room school taught by Mrs Edna Spies. Probably one of the best teachers I ever had. We kept in touch until her death in the 1980's. March 1948 we moved to what was then Iowana Farms, now part of Riverdale, across from the Alcoa plant outside Bettendorf. Dad farmed some ground owned by Iowana Farms and then he went to work for them at their Dairy plant in Bettendorf. I went to school at the Riverdale school across the road from Alcoa the last part of the 7th grade and all of 8th grade. Then I took a bus to J.B. Young Junior High School in Davenport for 9th grade which was in 1949-1950, located at Locust and Harrison Streets. Several students went to Sudlow in Davenport but I decided to go to J. B. I went to Davenport High School (now Central High) 10-12th grade and graduated from there in 1953. (Just had our 40th year reunion Aug 1993) (50th reunion in Sep 2003). It was located at 12 and Harrison Street. At this time they found out I had a heart murmur so didn't take gym thru high school. Probably had it since I had scarlet fever when I was young. I left home after graduation and worked at different jobs in Davenport and lived with a girlfriend until we decided to join a group selling magazines to California and I decided to marry one of the guys on the trip in Las Vegas and came back to Davenport, which was a big mistake. It lasted less then a year and then I divorced in Jul 1954. We had a son, Aug 1954 who I gave up for adoption as wasn't able to care for him as we had divorced by then. There was just no living with that man. Probably because we didn't know each other very long and when we got back to Davenport and found an apartment he became so jealous that I couldn't even talk to my brother and barely could leave the house because he would think I was having an affair with every man I saw so by early part of the year I know it wasn't going to work so I left and went back home and worked at Bettendorf Sheep Metal works as secretary for Doc Wingert till Aug then had the baby and then went to Missouri to spend a week with my cousin then came back and went to work at the T.B. Sanitarium at Oakdale, IA, just outside Iowa City then. The marriage, well have to go back, the idea to go with this group was Probably the most stupid thing I ever did because Anna Boyles, who I was rooming with wanted to go and so I agreed so that was probably the 1st mistake, but you live and learn by your mistakes I guess. We had a nice apartment and both was working but guess thought we needed more excitement. Which back then even selling magazines door to door was not the thing to do, better then today but should have know better then even. I was trying to figure out a way to get back home at the time and then Joe started paying attention to me instead of Anna and then wanted to get married and come back home so thought was my way to get home I guess so we went to Las Vegas and got married then came back to Davenport. Looking back I didn't know very much about Joe and know he didn't know much about me as should have got an annulment when we got back but thought would try to make it work.

TREADWAY-LOWE

Charles and Gladys (Lowe) Treadway came to Gatesville in 1978, so they are newcomers to Texas. However Charles was stationed for five years at Ft. Hood during his 20 year Army Career.

Charles and Gladys Treadway

Charles Lee was born 4, Sept. 1930, Fulton Co., Ill. to Perry Carlos and Georgia Jane (Westerfield) Treadway, the oldest of four living children. He spent his youth in Fulton Co., where in 1951 he enlisted in the Army, not realizing at the time he would make a career of the service.

He married first, to Charlotte Hendrickson, June 1951, daughter of LeRoy and Lucille (Jaggers) Hendrickson. She died Nov. 1964.

He married second to Gladys (Lowe) Houser, 9 Apr. 1965, in Davenport, Iowa while stationed at the Rock Island Arsenal. She brought three children to this marriage and Charles raised them as his own.

By Feb. 1966 they were on their way to Friedberg, Germany where they would spend one year and then to Murnau, Germany where they spent another year. While there Charles received a commission of Chief Warrant Officer, along with it a one year tour to Viet Nam. Charles was in the Korean war and also in Viet Nam three times. The family flew back to Davenport, Iowa where they spent the year and then on to Aberdeen, Maryland for two years, where in 1971 Charles retired from 20 years in the service.

They moved to Bettendorf, Iowa where they owned and operated a service station, until 1976, when Charles had back surgery and was unable to work. So they decided to make Gatesville their home because of the friendly people and warmer climate.

Gladys LaVon Lowe was born 9 Apr. 1935 in Kirksville, Missouri. The daughter of Willard Harlo and Rovene Melvina (Dyer) Lowe. Her father being a farmer and there was no money or work in Mo., they moved to Rock Island, Illinois in 1940. A few years later they moved to Scott Co., Iowa, where she grew up and graduated from Davenport High School. She is the oldest of two children.

Gladys was married the first time to Gerald Larry Houser, son of David and Rose (Scherer) Houser, 30 Apr. 1955 in Iowa City, Iowa. They had four children, one dying in infancy. They divorced in 1964 and Gladys married Charles Treadway. Their three children came to Texas in 1981. Sherylann Kay and her son, Jason Blair Houser are living in Farmers Branch. Larry Martin and his wife, Becky (Brown) Houser are living in Carrollton and Gayle Renee and her husband Randell Bush and their son, Caanan Scott are living in Gatesville.

Gladys has been working on her parents family history for over 15 years and has several lines traced back more than eight generations. One line goes back to Edward and Ann Fuller and their son, Samuel Fuller of the Mayflower. Besides genealogy she enjoys traveling, photography, reading and crocheting. *Mrs. Charles Treadway*

U.S. DEPARTMENT OF COMMERCE
BUREAU OF THE CENSUS
WASHINGTON, DC 20233-2000
OFFICE OF THE DIRECTOR

United States Census 2000

March 13, 2000

To all households:

This is your official form for the United States Census 2000. It is used to count every person living in this house or apartment – people of all ages, citizens and non-citizens.

Your answers are important. First, the number of representatives each state has in Congress depends on the number of people living in the state.

The second reason may be more important to you and your community. The amount of government money your neighborhood receives depends on your answers. That money gets used for schools, employment services, housing assistance, roads, services for children and the elderly, and many other local needs.

Your privacy is protected by law (Title 13 of the United States Code), which also requires that you answer these questions. That law ensures that your information is only used for statistical purposes and that no unauthorized person can see your form or find out what you tell us – no other government agency, no court of law, NO ONE.

Please be as accurate and complete as you can in filling out your census form, and return it in the enclosed postage-paid envelope. Thank you.

Sincerely,

Kenneth Prewitt
Director
Bureau of the Census

Quad-City service station owner Charles Treadway put out a sign of the times in 1973 when he couldn't get gasoline.

cars was the 1974 Ford Mustang II. It was powered by a four-cylinder engine and was 19 inches shorter than the 1973 Mustang.

Just as car manufacturers reacted to the gasoline shortage, the federal government acted to force motorists to ease up on the accelerator in order to conserve fuel. It mandated states to drop speed limits to 55 mph on all highways.

Illinois did so on Feb. 25, 1974. Iowa followed on March 1. The Iowa speed limit on interstate highways had been 75 mph. The Illinois speed limit on interstate highways had been 70 mph.

The crisis eased a little after March 18 when the Arab oil-producing nations

lifted the ban on oil exports to the United States. By June, summer travelers were hitting the interstate highways in force, seemingly oblivious to high gasoline prices and the threat of more shortages.

Many ignored the "double nickel" speed limit.

"Nobody else goes 55. They go about 65. I try to keep up with traffic," a driver from San Jose, Calif., told a Times-Democrat reporter doing a story on summertime highway travel.

Notes

HUSBAND - Joseph Rolla "Joe" Shull
MARRIED: 18 Oct 1953, Las Vegas, NV.

Joe and Gladys were divorced 1 Jul 1954 Davenport, Scott Co. IA. Our son was born Aug 1954 in Davenport, IA and was given up for adoption at that time. I wasn't able to take care of a child nor was he so thought that was the best solution. I also took my maiden name back at that time because of the short duration of marriage. Probably should have gotten it annulled right away but hadn't thought of that at the time but had later.

The marriage was a mistake from the beginning I think. We were in CA and hadn't known each other very long and Joe liked Anna, my friend I went on the group with then he decided he liked me and after while we decided to get married and come back to Iowa. We didn't know that much about each other and by the time we got back here and got an apartment his personality had changed greatly and was so jealous that I couldn't even talk to my brother and he was accusing me of talking to every man around and I couldn't go out of the house but what he thought I was having an affair with anyone so I had enough by Jan so I left him and got a divorce. That was not a good time.

He had remarried and last known lived near Waterloo, IA (1965) I knew this because after I married Charles Treadway, he was in the Army and had Top Secret Clearance and before we went to Germany in 1965 I had to be cleared as well and so they had to locate Joe. Still never really knew why but Chuck had to go talk to him and they had located him in Waterloo, IA at the time.

He was from IL, and his parents and family lived there some years ago. We were with a group selling magazines to California and decided to get married in Las Vegas and come back here, which was a mistake all the way around. You know how you do some stupid things in your life, well I believe this was the most stupid thing I ever did. I have no picture of him nor did I take any pictures during that time period of us or me at that time.

I would hope he had changed with his 2nd marriage as he had 5 children from that marriage and he had married Ardith Howell 10 Jun 1956 at Cedar Falls, IA and they were still together in 1984 at this death.

I located his obituary from the Waterloo & Cedar Falls Courier newspaper May 2005 after looking on the internet for his name from Waterloo paper and wrote and they sent it to me which was dated 12 Sep 1984 then another brief notice of services dated 13 Sep 1984. A picture was included with the obituary.

"Joseph Rolla Shull --- Services for Joseph Rolla Shull, 56, of 223 Elm St., will be 3 p.m. Friday at First United Methodist church in Cedar Falls. --- Mr Shull was born Dec. 16, 1927, at Moline, Ill., son of Elza M. and Lydia I. Shunk Shull. He married Ardith Howell June 10, 1956 at Cedar Falls. --- He was owner and operator of Packer's shoe Repair in Waterloo. He was a veteran, serving during World War II and the Korean War. He was past noble grand of the Order of the Odd Fellows and a life member of the VFW. --- He is survived by his wife; three sons, Michael Wayne of 1428 Lafayette St., and Dennis Kurt and Neal Eric, both at home; two daughters, Lezlie Elaine and Amy Evalena, both at home; three brothers, Edward of Minnesota, Richard of East Moline, IL, and Walter of Kansas City, MO and three sisters; Marjorie Race of East Moline, Ill, and Sara Short and Pheobe Pirmann, both of Moline, Ill. --- Friends may call at Dahl-Van Hove-Schoof Funeral Home from 7 to 9 p.m., Wednesday, 9 a.m. to 9 p.m. Thursday and 9 a.m to 1 p.m Friday and at the church for an hour before service Friday. --- A memorial fund has been established in his name."

2nd notice was: "Joseph Rolla Shull --- Services for Joseph Rolla Shull, 56, of 221 Elm St. will be 3 p.m. Friday at First United Methodist Church in Cedar Falls. Private burial will occur at a later date. --- Mr Shull died Tuesday morning at St. Francis Hospital. --- He came to the metro area in March of 1956 and was employed by Rath Packing Co. from then until 1967, when he bought Packer's Shoe Repair. --- Friends may call at Dahl-Van Hove-Schoof Funeral Home in Cedar Falls until 9 p.m. Thursday and from 9 a.m. to 1 p.m. Friday and at the church for an hour before services. --- A memorial fund has been established."

No mention of where the burial was or when took place.

Apparently I had written Mom and Dad a letter in 1953 where listed all of Joe's family.

WIFE - Gladys LaVon Lowe *

I was born on a farm just outside Kirksville, MO belonging to my grandparents, Henry and Laura (Thompson) Lowe, where my parents were living at the time. Sadly there is nothing there but the land now. All the buildings have been torn down several years ago.

My next home was on a farm near Bullion, Mo which wasn't far from my grandparents farm. My brother was born there and we lived there until 1940. My dad was on the School Board there and the school was close to us so I started kindergarten there, even though I wasn't 5 years of age yet.

The summer of 1940 we moved to Rock Island, IL where my Dad thought he maybe could get a job. Making a living in MO was hard so thought it would be better in Rock Island. We lived about three places while there. I started first grade there, even thou the school said I should be in kindergarten, they let me go. My mother told them if I couldn't do the work they could put me back but they didn't have to. My Dad got a job at the Sturdevent Dairy and worked there until 1945. In 1942 we moved to a farm near Hillsdale, IL where he farmed and also worked at the Dairy plant.

March 1945 we moved to a farm near Maysville, IA where my Dad farmed on the shares with Mr Art Meints. We went to the Allens Grove Twp. school, which was a one room school taught by Mrs Edna Spies. Probably one of the best teachers I ever had. We kept in touch until her death in the 1980's.

March 1948 we moved to what was then Iowana Farms, now part of Riverdale, across from the Alcoa plant outside Bettendorf. Dad farmed some ground owned by Iowana Farms and then he went to work for them at their Dairy plant in Bettendorf. I went to school at the Riverdale school across the road from Alcoa the last part of the 7th grade and all of 8th grade. Then I took a bus to J.B. Young Junior High School in Davenport for 9th grade which was in 1949-1950, located at Locust and Harrison Streets. Several students went to Sudlow in Davenport but I decided to go to J. B.

I went to Davenport High School (now Central High) 10-12th grade and graduated from there in 1953. (Just had our 40th year reunion Aug 1993) (50th reunion in Sep 2003). It was located at 12 and Harrison Street. At this time they found out I had a heart murmur so didn't take gym thru high school. Probably had it since I had scarlet fever when I was young.

I left home after graduation and worked at different jobs in Davenport and lived with a girlfriend until we decided to join a group selling magazines to California and I decided to marry one of the guys on the trip in Las Vegas and came back to Davenport, which was a big mistake. It lasted less then a year and then I divorced in Jul 1954. We had a son, Aug 1954 who I gave up for adoption as wasn't able to care for him as we had divorced by then. There was just no living with that man. Probably because we didn't know each other very long and when we got back to Davenport and found an apartment he became so jealous that I couldn't even talk to my brother and barely could leave the house because he would think I was having an affair with every man I saw so by early part of the year I know it wasn't going to work so I left and went back home and worked at Bettendorf Sheep Metal works as secretary for Doc Wingert till Aug then had the baby and then went to Missouri to spend a week with my cousin then came back and went to work at the T.B. Sanitarium at Oakdale, IA, just outside Iowa City then.

The marriage, well have to go back, the idea to go with this group was Probably the most stupid thing I ever did because Anna Boyles, who I was rooming with wanted to go and so I agreed so that was probably the 1st mistake, but you live and learn by your mistakes I guess. We had a nice apartment and both was working but guess thought we needed more excitement. Which back then even selling magazines door to door was not the thing to do, better then today but should have know better then even. I was trying to figure out a way to get back home at the time and then Joe started paying attention to me instead of Anna and then wanted to get married and come back home so thought was my way to get home I guess so we went to Las Vegas and got married then came back to Davenport. Looking back I didn't know very much about Joe and know he didn't know much about me as should have got an annulment when we got back but thought would try to make it work.

WIFE - Gladys LaVon Lowe * (Continued)

put new carpet in condo 108 as said would sell better, so far not. Did sell it 1 week after Dick took it over.

Condo 403 I had to put in new carpet in living room to cover the bright rose carpet that was there and had it painted tan. Left the carpet in the bedrooms. 3 days after moving in the refrigerator went out and so had to buy a new one and found out the dishwasher was 20 yrs old so bought a new one and had to put a new stool in the master bathroom and still have an oven to put in but wait till I sell the other condo. Furnace and air cond. about 10 yrs old so as long as I will probably need it so won't replace them. She did put in a new washer and dryer and new counter top in kitchen and new floor in kitchen so it all looks nice and will look nicer when I get all my genealogy books sent to Ft. Wayne then won't look so crowded.

Ended Swimming exercises over Memorial as they closed the pool till next summer.

Sep 8, 2016 started bowling thru Apr 21 2017, not starting out too good but hope to get better. then swimming exercises every day thru summer.

Sep 2017 Have about half of my books sent to Ft Wayne and still half to go. Started bowling again at 30 Lanes every Thursday. Started okay then not so good then got better again so usually holding a 120 average which isn't bad. This is 6th year bowling and 6th year have been at the Manor and 4 years exercised at the pool. Still walk around the complex every day if weather okay.

Oct 2017 Found a Dr at the Trinity Hospital in the pain clinic to get cortasone shots in my right leg that have had pain in for over 5 years as no other Dr would do it. Had shot in 2 places and 3rd one in Dec then should have no pain in my leg. Only have back problems so have to be careful what I do but able to do everything I want to. Have been working on computer almost every day to get my books done so could send them to Ft Wayne. Started with about 170 notebooks and have sent about 94 books and have almost 76 or so left to go. So hope in couple years can have them all done (at least that is my goal). Taken 6 years to get others done. Appears some books take more then thought they would to send them to the library.

Talk to my 3rd cousin who lives in Bellevue every day. She had a stroke 2 yrs ago May and had to learn to talk all over and had a hard 1st year but 2nd now she is doing so much better. Visit her every year now since she doesn't drive much she can't come here like had been doing for several years. She is only one left in her family and has lost 1 son and has 1 son living in Neb. We have been doing genealogy since around 1990-92 since we found each other. I have been at it now for 48 years since 1969. We accidently met when a Great Uncle of hers died about then so met another 3rd cousin who lived in Des Moines at that time and we had traveled a lot to many places researching then few years ago June died then her husband died so just Faye and I have kept up with everything. Ralph had done research on our Lowe family for many years and I had met him while in Bettendorf after Chuck got out of service, he somehow found me and they visited here on their way to Chicago to see the King Tut exhibit and then when we moved to Texas he and his second wife came to visit us there as well. Which was sometime after the first meeting with him when I found out about Faye Francis and June and Bob Beals as they had been doing research as well for few years and then we started going places and doing research together until June started alzheimers. Then Faye and I went a lot even after that and before that every year once or twice we went to Des Moines to see June and do research there as well.

CHILD 1 - Kevin Dale Shull

Since Joe and I were divorced I thought it best to give the baby up for adoption so he could have a good home as I wasn't able to care for him alone.

Ran across an obituary in the Des Moines Register on the internet looking for obit of somone else and this one was from Sigourney dated 19 Feb 2005 of one Kevin Shaull (maybe A shouldn't be there) said services for Kevin Shaull, 52, will be 2 p.m. Sunday at the Living Hope Bible Church in Eldon. Visitation will be after 2 p.m. Saturday at the Holm Funeral Home in Sigourney, where the family will be present from 6 to 8 p.m. Sunday.

This sure fits the birth date of Kevin Shull, maybe just a very good coincidence. Would be surprising if his name was kept the same as birth record? Can't see that would be possible if was adopted though.

Announcement is made of the marriage of Miss Gladys LaVon Lowe, daughter of Mr. and Mrs Willard Lowe, Mounted Route Bettendorf, and Josephella Shull, son of Mrs. Lydia Shull, 5404 7th Ave., Moline. The marriage took place Oct. 18 in Las Vegas, Nev. Mrs. Shull is a graduate of Davenport High School and was formerly employed at M. L. Parker Co.

HUSBAND - Joseph Rolla "Joe" Shull

MARRIED: 18 Oct 1953, Las Vegas, NV.

Joe and Gladys were divorced 1 Jul 1954 Davenport, Scott Co. IA. Our son was born Aug 1954 in Davenport, IA and was given up for adoption at that time. I wasn't able to take care of a child nor was he so thought that was the best solution. I also took my maiden name back at that time because of the short duration of marriage. Probably should have gotten it annulled right away but hadn't thought of that at the time but had later.

The marriage was a mistake from the beginning I think. We were in CA and hadn't known each other very long and Joe liked Anna, my friend I went on the group with then he decided he liked me and after while we decided to get married and come back to Iowa. We didn't know that much about each other and by the time we got back here and got an apartment his personality had changed greatly and was so jealous that I couldn't even talk to my brother and he was accusing me of talking to every man around and I couldn't go out of the house but what he thought I was having an affair with anyone so I had enough by Jan so I left him and got a divorce. That was not a good time.

He had remarried and last known lived near Waterloo, IA (1965) I knew this because after I married Charles Treadway, he was in the Army and had Top Secret Clearance and before we went to Germany in 1965 I had to be cleared as well and so they had to locate Joe. Still never really knew why but Chuck had to go talk to him and they had located him in Waterloo, IA at the time.

He was from IL, and his parents and family lived there some years ago. We were with a group selling magazines to California and decided to get married in Las Vegas and come back here, which was a mistake all the way around. You know how you do some stupid things in your life, well I believe this was the most stupid thing I ever did. I have no picture of him nor did I take any pictures during that time period of us or me at that time.

I would hope he had changed with his 2nd marriage as he had 5 children from that marriage and he had married Ardith Howell 10 Jun 1956 at Cedar Falls, IA and they were still together in 1984 at this death.

I located his obituary from the Waterloo & Cedar Falls Courier newspaper May 2005 after looking on the internet for his name from Waterloo paper and wrote and they sent it to me which was dated 12 Sep 1984 then another brief notice of services dated 13 Sep 1984. A picture was included with the obituary.

"Joseph Rolla Shull — Services for Joseph Rolla Shull, 56, of 223 Elm St., will be 3 p.m. Friday at First United Methodist church in Cedar Falls. — Mr Shull was born Dec. 16, 1927, at Moline, Ill., son of Elza M. and Lydia I. Shunk Shull. He married Ardith Howell June 10, 1956 at Cedar Falls. — He was owner and operator of Packer's shoe Repair in Waterloo. He was a veteran, serving during World War II and the Korean War. He was past noble grand of the Order of the Odd Fellows and a life member of the VFW. — He is survived by his wife; three sons, Michael Wayne of 1428 Lafayette St., and Dennis Kurt and Neal Eric, both at home; two daughters, Lezlie Elaine and Amy Evalena, both

2nd notice was: "Joseph Rolla Shull --- Services for Joseph Rolla Shull, 56, of 221 Elm St. will be 3 p.m. Friday at First United Methodist Church in Cedar Falls. HUSBAND - Gerald Larry "Jerry" Houser

Put a bio in Find A Grave, info from his obit. and right now only way to get to him is thru his daughter SherylInn Houser's memorial # 176650251, possibly by his # 176702067 23 Feb 2017.

Info from Jerry and mg and divorce papers. Jerry md 2nd to Loretta Leone and had a son Mark b. ca 1966. Jerry md 3rd to Phyllis King Perkins and had a daughter, Jessica b. ca 1972. Divorced from Loretta, maybe Iowa City, IA and divorced from Phyllis in Atlanta, GA. Don't know anymore about the children other than they both were adopted by step fathers. Mark Elliott's name changed to Kolpek and Jessica was changed but think name in obituary of Betts was a married name. One of the last two wives are deceased but not sure which one.

Jerry was born in Red Oak, IA and raised in Iowa City, IA. His mother divorced his father soon after he was born and she later married W.D. "Dale" Miller who raised him.

He spent 4 years at Red Oak High School but last 2 months they moved to Oakland so he actually graduated from Oakland High School but he doesn't count that 2 months and then went on and worked at several jobs. Was working at Oakdale TB Sanatarium when first married. And the next 9 years worked at several different jobs until he was divorced the first time, then moved back to Iowa City for a while then was in Atlanta, GA for a few years and then back to Iowa City for few years then he started a greenhouse in Tipton, IA (1988) which is what he is still working at 2002.

Jerry started calling me after Chuck died in 1998 and we have kept in contact ever since. He has also kept in contact with our 3 children since.

Thinking about going to retire from business 2002 and selling his business as has had several health problems. Which he did sell the business Jan 2003, then in Nov 2003 he bought an acreage in Corydon, Wayne Co. IA and moved there.

Last week of June 2003 he had 1st knee surgery in Iowa City that went wrong and has nothing but problems since and was back in hospital the 7th Jul suppose to have his knee cleaned and drained but they replaced the whole knee on the 8th of Jul 2003 Said he maybe there 6 weeks since they replaced the plastic in his knee and put in a tube they could check his blood without a needle each time. Don't think he stayed in the hospital that long thought. I had gone up few times to see him when he was in hospital. He was there until about end of Aug. Was in Mason City first of Sep for couple weeks. Then went back to Tipton. By last of Oct he was looking for some land in Missouri and accidentally come across the land near Corydon and liked what he saw and ended up buying the place and moved in the 1st of Dec 2003.

Notes	HUSBAND - Gerald Larry "Jerry" Houser (Continued) 3rd week of May 2004 was back in Iowa City Hospital for infection in his leg. I took him to Mayo's 21st June of 2004 for the first time and there few days then stopped by Mason City, to see his mother and sister before getting back to Corydon. They scheduled to have knee surgery again the last of Sep 2004 at Mayo's Clinic. But ended up he had infection and had to be on antibiotics and so had to postpone the surgery till first of Oct when they took his knee out and he had to have a cast for several weeks before they could put the knee back in on 16th of Nov but guess what, he got an infection they said so couldn't do it till 22nd of Dec. He was in Mayo's all this time. Problems since then as well. Actually from the first surgery he has problems with that leg. Never heard of anyone having so much problems from a simple knee surgery. 2005 Has had several stays in the hospital in Corydon, Des Moines, and Corydon again, not finding out what is really wrong. By Sept is beginning to get better and staying at home. He has had Mary Ellen stay with him a week in Des Moines where he had surgery for bleeding ulcer which may have been the problem for some time, then went to Corydon with him and stayed couple weeks while he was in hospital again and then getting him settled back at home and the house clean and things done to it that needed done so that was a help to him. 2006 also in hospital different times for different things. 2007 April: Sheri came up from FL Thursday the 12th and she, Gayle and I went to Mason City the 14-15-16th of Apr to see how he was doing. Sheri then went back to FL on the 19th of April. We got home Monday late afternoon and Mary Ellen called us Tuesday that he passed away at 10:30 that morning. 3 days less then month from diagnosis to death is pretty fast I think. He went into Corydon hospital the 20th Mar and said had spot on lung so should go to another hospital so decided on Iowa City University and was there a week & 4 days where they said he had a very fast growing lung cancer and had spread to his liver, bone, brain and both lungs and so Mary Ellen had him moved the 2nd of Apr to Mason City IOOF nursing home where he was until the 17th of April. They had him cremated and there will be a memorial service in Iowa City probably the later part of Sept. Sept 29 if all goes as planned. His obituary was quite lengthy as Mary Ellen wrote it and I had supplied some of the info as well and put it in the Davenport paper, Iowa City, Mason City, Tipton, Corydon, Red Oak papers as was known in all places. Quad City Times, Davenport, IA Sun 22 Apr 2007 pg C8: Elsewhere Jerry Houser Mason City, Iowa --- Jerry Houser, 73, died Tuesday April 17, 2007, at the IOOF Home in Mason City under the care of Hospice of North Iowa following a diagnosis of lung cancer March 20, 2007. A Celebration of Life service will be held at 10:30 a.m. Saturday, September 29, 2007, at the Unitarian Universalist Society, Iowa City, Per his wishes he was cremated. Gerald Larry Houser was born February 23, 1934, in Red Oak, Iowa, the son of David Percy and Rosemary (Scherer) Houser. His early childhood was spent living with his grandparents, Frank C. and Sidney Mae (Tenney) Scherer in rural Montgomery County, Iowa. He returned to live with his mother in 1943, after her marriage to William Dale Miller. Jerry survived two early life-threatening accidents, swallowing gasoline at age 3 and shooting himself in the stomach at age 15 while hunting rabbits. He graduated from Red Oak High School in 1951, lettering in football and playing tuba (by ear) in the marching band. He often practiced the tuba afternoons on the school bus ride home. He enrolled in the University of Iowa as a chemical engineering major but after one semester decided it wasn't what he wanted. He wrote to his high school classmates in 2001 "A real dilemma, I had no clue to what direction I would want to go. The search went on for nearly 35 years" Following his brief college experience he worked in a variety of jobs, mostly sales, and moved about often. During those years he had "probably 30 different jobs, three wives and six kids" In 1981, while working in a factory in Iowa City, he was over exposed to a toxic chemical and forced to leave to preserve his health. During his physical recovery he moved to his family's farm, Rainbow Acres, near Riverside, Iowa, and began his "digging in the dirt" horticulture experiments that evolved into a burgeoning pumpkin and potted herb enterprise. By 1987 the business had outgrown Rainbow Acres and he located an abandoned greenhouse complex near Tipton, Iowa, that was built during the early 1970's hydroponic tomato craze. Golden Acres began operating in 1988 and business took off, doubling sales every year for the first seven years. Pumpkins were eventually dropped, the herbs expanded and a full range of perennials added. Over 2000 varieties were grown, with markets in three states and over 100 stores, including Wal-Mart, Kmart, Home Depot and HyVee. Sales volume quickly topped a million dollars. He had finally found his life passion. Nearing age 70, and following the death of a partner, Jerry sold the business in 2003, and retired to a near

A failed knee replacement left him in a wheel-chair and unhappily restricted his plan to once again spend his time "digging in the dirt". He did, however, find pleasure in feeding the abundant birds and wildlife that visited daily, including nightly forays from skunks, raccoons and opossums that savored the dog food he purchased just for their supper. Jerry's rebirth as a faithful follower of Jesus Christ 30 years ago was a life changing transition for him; h found atonement in caring for his family and friends. During his last days he received long visits from his immediate family and soul searching dialogues with his many spiritual counselors that resulted in his peaceful passing. He was a member of the Church of Christ, his last affiliation with the Sunnyslope Church of Christ, Promise City. He is survived by his first wife, Gladys (Lowe) Treadway; and their children, Sheryl Kay Houser, East Point, Fla, Larry Martin Houser, Pleasant Valley, Iowa, and Gayle Renee' Houser Bush, Coal Valley, Ill. Grandchildren include Misty Gail Parenzan, Destin, Fla., Jason Houser, Duluth, Minn., Caanan Bush, Malibu, Calif., and Brittany Bush, Newbury Park, Calif. Great-grandchildren are Travis Perry, Bryana Perry, Dilan Parenzan, Destin, Fla. Children from later marriages are, Mark Elliot (Houser) Kolpek, Texas, and Jessica (Houser) Betts, Arkansas, who were adopted by their stepfathers. Also surviving are his sister, Mary Ellen Miller, Mason City; brother David Dale (Janet) Miller, Blairstown and faithful cousin, Charles (Mary Ellen) West, Bode. He was preceded in death by his parents and infant son, Mark Allen Houser. Memorials may be sent to his favorite charity, the Salvation Army, or to the Iowa Arboretum in Madrid, Iowa. Arrangements are with Major Erickson Funeral Home & Crematory. They may be reached at (614)-423-0924 or www.majorericksonfuneralhome.com. (I went over the obit before she sent it as did Charles West and all missed that didn't list I lived in Bettendorf, IA, which didn't really make that much difference and I did have Misty's middle name spelled wrong but had thought everything else was right, believe Jessica Betts was married name). Recieved copies of his obit from Funeral Home, Mason City paper, Press Citizen, Iowa City, the Gazette, Cedar Rapids, and Red Oak Express. Also ran in the Tipton Conservitive and the Corydon Times Republican papers. WIFE - Gladys LaVon Lowe * I was born on a farm just outside Kirksville, MO belonging to my grandparents, Henry and Laura (Thompson) Lowe, where my parents were living at the time. Sadly there is nothing there but the land now. All the buildings have been torn down several years ago. My next home was on a farm near Bullion, Mo which wasn't far from my grandparents farm. My brother was born there and we lived there until 1940. My dad was on the School Board there and the school was close to us so I started kindergarten there, even though I wasn't 5 years of age yet. The summer of 1940 we moved to Rock Island, IL where my Dad thought he maybe could get a job. Making a living in MO was hard so thought it would be better in Rock Island. We lived about three places while there. I started first grade there, even thou the school said I should be in kindergarten, they let me go. My mother told them if I couldn't do the work they could put me back but they didn't have to. My Dad got a job at the Sturdevent Dairy and worked there until 1945. In 1942 we moved to a farm near Hillsdale, IL where he farmed and also worked at the Dairy plant. March 1945 we moved to a farm near Maysville, IA where my Dad farmed on the shares with Mr Art Meints. We went to the Allens Grove Twp. school, which was a one room school taught by Mrs Edna Spies. Probably one of the best teachers I ever had. We kept in touch until her death in the 1980's. March 1948 we moved to what was then Iowana Farms, now part of Riverdale, across from the Alcoa plant outside Bettendorf. Dad farmed some ground owned by Iowana Farms and then he went to work for them at their Dairy plant in Bettendorf. I went to school at the Riverdale school across the road from Alcoa the last part of the 7th grade and all of 8th grade. Then I took a bus to J.B. Young Junior High School in Davenport for 9th grade which was in 1949-1950, located at Locust and Harrison Streets. Several students went to Sudlow in Davenport but I decided to go to J. B. I went to Davenport High School (now Central High) 10-12th grade and graduated from there in 1953. (Just had our 40th year reunion Aug 1993) (50th reunion in Sep 2003). It was located at 12 and Harrison Street. At this time they found out I had a heart murmur so didn't take gym thru high school. Probably had it since I had scarlet fever when I was young.

Gerald divorced first time 1964 from Gladys Lowe. Has been in touch with his first 3 children by first mg off and on. His daughter Gayle had 3 children and oldest one is married and has three children so Jerry is a great grandfather. Sheri had one son and Larry never had children.

Jerry had traveled around and living at different places and working at several different jobs from 1965 till he started the greenhouse in 1993. Sheri and Gayle had lived with him in later years for short time.

Jerry living in Tipton, IA and running a greenhouse which he has had much success at since 1993. Thinking of selling the business in year 2003 and retiring though.

Did sell his business and then bought an acreage in Corydon, Wayne Co. IA and moved there in Dec 2003. Address: 1760 Ohio Rd, Corydon, IA phone 641-872-3928

Gerald divorced from 1st, 2nd and 3rd wives. Children by all 3 wives.

Son Mark Houser living in Houston, TX in 1999 and his mother in Dallas, TX. Maybe Mark age 33 and would have been born ca 1966 and would have been by second mg.

Dau Jessica Houser living in Arkansas. She may be from third mg. Hadn't seen her since about age 4.

Sheri had contacted both children about 1999 but neither wanted anything to do with their father or really any of his family they told her.

Jerry lived most of his early life in Red Oak Iowa where he attended all by last 2 months at the Red Oak High School but he actually graduated from Oakland High School as his parents had moved there the last 2 months of his senior year but he considers Red Oak his home town.

He had knee surgery the first time in Iowa City, must have been after he sold the business in 2003, shortly after he had bought his home in Corydon. Had lots of problems from then on and then had another surgery on same knee in Mayo's in Dec 2004 and in June 2004 I had taken him there for few days to see about doing it again. From there he never was any better and always having one problem or another, in and out of hosital until in Mar 2007 he was admitted to Iowa City University and diagnosed with bone cancer that has matastized to lungs, liver and brain. Fast growing kind so he decided against treatment and they took him to Mason City IOOF nursing home w/hospice care the 2nd of April 2007. His sister Mary Ellen has been helping him there.

CORYDON – "Jerry" Houser, 73, died Tuesday, (Apr. 17, 2007) at the IOOF Home in Mason City under the care of Hospice of North Iowa following a diagnosis of advanced lung cancer March 20.

Gerald Larry Houser was born Feb. 23, 1934, in Red Oak, Iowa, the son of David Percy and Rosemary (Scherer) Houser. His early childhood was spent living with his grandparents, Frank C. and Sidney Mae (Tenney) Scherer in rural Montgomery County, Iowa. He returned to live with his mother in 1943 after her marriage to William Dale Miller.

Jerry survived two early life threatening accidents, swallowing gasoline at age three and shooting himself in the stomach at age 15 while hunting rabbits. He attended Red Oak High School for three years and graduated from Oakland High School in 1951 lettering in football and playing tuba (by ear) in the marching band. He often practiced the tuba afternoons on the school bus ride home.

He enrolled in the University of Iowa as a chemical engineering major but after one semester decided it wasn't what he wanted. He wrote to his high school classmates in 2001 "A real dilemma, I had no clue to what direction I would want to go. The search went on for nearly 35 years."

Following his brief college experience he worked in a variety of jobs, mostly sales, and moved about often. During those years he had "... probably 30 different jobs, three wives and six kids." In 1981 while working in a factory in Iowa City he was over exposed to a toxic chemical and forced to leave to preserve his health.

During his physical recovery he moved to his family's farm, Rainbow Acres near Riverside, Iowa, and began his "digging in the dirt" horticulture experiments that evolved into a burgeoning pumpkin and potted herb enterprise. By 1987 the business had outgrown Rainbow Acres and he relocated to an abandoned greenhouse complex near Tipton, Iowa, that was built during the early 70's hydroponic tomato craze. Golden Acres began

operating in 1988 and business took off, doubling sales every year for the first seven years. Pumpkins were eventually dropped, the herbs expanded and a full range of perennials added. Over 2000 varieties were grown, with markets in three states and over 100 stores, including Wal-Mart, Kmart, Home Depot and HyVee. Sales volume quickly topped a million dollars. He had finally found his life passion.

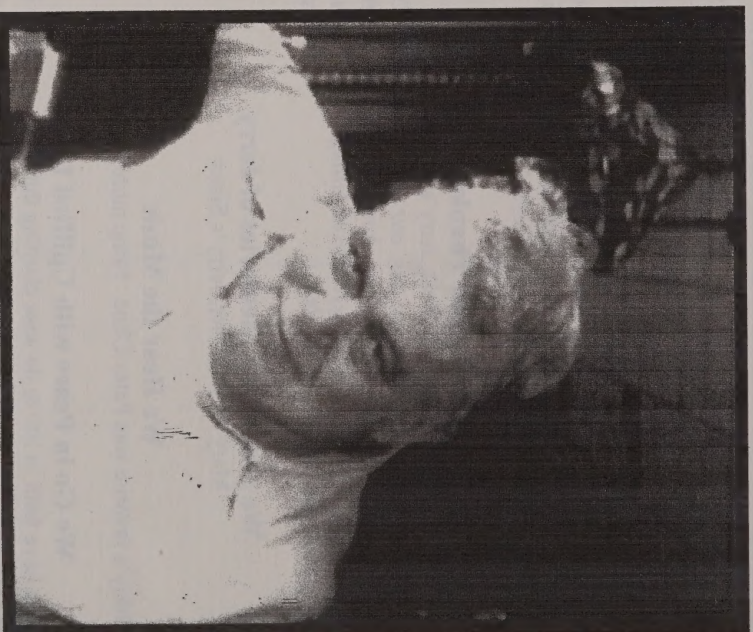

Nearing age 70 and following the death of a partner, Jerry sold the business in 2003 and retired to a near-perfect rural 40-acre sanctuary near Corydon in Wayne County. A failed knee replacement left him in a wheelchair and unhappily restricted his plan to once again spend his time "digging in the dirt." He did, however, find pleasure in feeding the abundant birds and wildlife that visited daily, including nightly forays from skunks, raccoons and opossums that savored the dog food he purchased just for their suppers.

Jerry's rebirth as a faithful follower of Jesus Christ thirty years ago was a life changing transition for him; he found atonement in caring for his family and friends. During his last days he received long visits from his immediate family and soul searching dialogues with his many spiritual counselors that resulted in his peaceful passing. He was a member of the Church of Christ; his last affiliation was with the Sunnyslope Church of Christ, Promise City, IA.

He is survived by his first wife Gladys (Lowe) Treadway, Bettendorf, IA, and their children, Sheryln Kay Houser, East Point, FL, Larry Martin Houser, Pleasant Valley, IA, and Gayle Renee' Houser Bush, Coal Valley, IL. Grandchildren include Misty Gail Parenzan, Destin, FL, Jason Houser, Duluth, MN, Caanan Bush, Malibu, CA, and Brittany Bush, Newbury Park, CA. Great grandchildren are Travis Perry, Bryana Perry, Dilan Parenzan, Destin, FL.

Children from later marriages are Mark Elliot (Houser) Kolpek, Texas, and Jessica (Houser) Betts, Arkansas, who were adopted by their stepfathers. Also surviving are his sister Mary Ellen Miller, Mason City, brother David Dale (Janet) Miller, Blainstown, and faithful cousin Charles (Mary Ellen) West, Bode. He was preceded in death by his parents and infant son Mark Allen Houser.

Thanks, Gladys, I received all four emails and will draft something up tonight and send back to you and Chuck West. I knew that with your genealogy work you would have the details. It was Jerry that told me the last two children were adopted by their step-fathers and that he had copies of the adoption papers but they were not where he said they might be so feel he may have tossed them before his move to Wayne County. I pretty much have gone through any papers in the house although there could be some stashed away somewhere that I might uncover later. I know that Mark's last name is now Kolpek as I did receive an email from him while Rose was still living. I also know that Jessica is married with the last name of Betts as found some online search papers that Jerry had run. I had also forgotten about the son who died, so appreciated that information as well.

Yes, it is the same church I used for Rose and WD, I will get in touch with Chuck first and see what dates work for him and then contact the church to reserve the fellowship hall. With so many diverse religious beliefs in the family, I have just felt the hall more comfortable than the main sanctuary, which is just too formal. We will definitely need to play some Patsy Cline at the service!

My email to Gayle bounced so please send me her current email so I can keep her in the loop. Also, I forgot to mention the new email computer Jerry recently purchased, maybe Sheri could use that. Don't know how new her's is or if she would even want it, wish I had thought to ask when you all were here. I have two PCs and a laptop so sure don't need another one! And, he had two Dish Network receivers if anyone can use them. Suspect they are not returnable but I will call the company and inquire if he was renting or bought them. They did not mention needing them returned with I called to cancel the satellite service, so suspect they were purchased.

I called the Salvation Army and they will pick up Jerry's big recliner chair from the care center. I just couldn't figure out what to do with it (is needs some stitching restored and a good cleaning) and then remembered they have a sales store here in Mason City. My neighbor hauled the TV back upstairs for me this afternoon, he saw Lily and I trying to figure out how to get it through the front door and came over to help; great to live in such a wonderful place! Took me two trips to bring home all of the things from his room; hard to believe we had accumulated so much in just two weeks. Well, it has been another busy day for me and I still need to work on the obit. More later, hugs, mem

Okay, sorry this took so long but have been pretty busy here. Let me know if there is anything you wished changed. I did think twice about including the "two early accidents" but it was just something he often talked about. I leave Sunday for a week so would like to get this out before then if possible. Gladys be sure I got all the names spelled correctly!

This will go to papers in Davenport, Iowa City, Tipton, Corydon, Red Oak and Mason City. mem

Jerry Houser, 73

Jerry Houser, 73, died Tuesday, (Apr. 17, 2007) at the IOOF Home in Mason City under the care of Hospice of North Iowa following a diagnosis of lung cancer March 20.

A Celebration of Life service will be held at 10:30 a.m. Saturday, Sept. 29, at the Unitarian Universalist Society, Iowa City. Per his wishes he was cremated.

Gerald Larry Houser was born Feb. 23, 1934, in Red Oak, Iowa, the son of David Percy and Rosemary (Scherer) Houser. His early childhood was spent living with his grandparents, Frank C. and Sidney Mae (Tenney) Scherer in rural Montgomery County, Iowa. He returned to live with his mother in 1943 after her marriage to William Dale Miller.

Jerry survived two early life threatening accidents, swallowing gasoline at age three and shooting himself in the stomach at age 15 while hunting rabbits. He graduated from Red Oak High School in 1951 lettering in football and playing tuba (by ear) in the marching band. He often practiced the tuba afternoons on the school bus ride home.

He enrolled in the University of Iowa as a chemical engineering major but after one semester decided it wasn't what he wanted. He wrote to his high school classmates in 2001 "A real dilemma, had no clue to what direction I would want to go. The search went on for nearly 35 years."

Following his brief college experience he worked in a variety of jobs, mostly sales, and moved about often. During those years he had "...probably 30 different jobs, three wives and six kids." In 1981, while working in a factory in Iowa City he was over exposed to a toxic chemical and forced to leave to preserve his health.

During his physical recovery he moved to his family's farm, Rainbow Acres near Riverside, Iowa and began his "digging in the dirt" horticulture experiments that evolved into a burgeoning pumpkin and potted herb enterprise. By 1987 the business had outgrown Rainbow Acres and he located an abandoned greenhouse complex near Tipton, Iowa, that was built during the early 70's hydroponic tomato craze.

Golden Acres began operating in 1988 and business took off, doubling sales every year for the first seven years. Pumpkins were eventually dropped, the herbs expanded and a full range of perennials added. Over 2000 varieties were grown, with markets in three states and over 100 stores including Wal-Mart, Kmart, Home Depot and HyVee. Sales volume quickly topped a million dollars. He had finally found his life passion.

Nearing age 70 and following the death of a partner, Jerry sold the business in 2003 and retired to a near-perfect rural 40-acre sanctuary near Corydon in Wayne County. A failed knee replacement left him in a wheelchair and unhappily restricted his plan to once again spend his time "digging in the

OTHER DEATHS

Jerry Houser, 73, died Tuesday (April 17, 2007) at the IOOF Home in Mason City under the care of Hospice of North Iowa following a diagnosis of lung cancer March 20. A Celebration of Life service will be held at 10:30 a. m. Saturday, Sept. 29, at the Unitarian Universalist Society, Iowa City. Per his wishes he was cremated.

Gerald Larry Houser was born Feb. 23, 1934, in Red Oak, Iowa, the son of David Percy and Rosemary (Scherer) Houser. His early childhood was spent living with his grandparents, Frank C. and Sidney Mae (Tenney) Scherer, in rural Montgomery County, Iowa. He returned to live with his mother in 1943 after her marriage to William Dale Miller.

Jerry survived two early lifethreatening accidents, swallowing gasoline at age 3 and shooting himself in the stomach at age 15 while hunting rabbits. He graduated from Red Oak High School in 1951 lettering in football and playing tuba (by ear) in the marching band. He often practiced the tuba afternoons on the school bus ride home. He enrolled in the University of Iowa as a chemical engineering major but after one semester decided it wasn't what he wanted. He wrote to his high school classmates in 2001 " A real dilemma, I had no clue to what direction I would want to go. The search went on for nearly 35 years."

Following his brief college experience he worked in a variety of jobs, mostly sales, and moved about often. During those years he had " probably 30 different jobs, three wives and six kids."

In 1981, while working in a factory in Iowa City he was over- exposed to a toxic chemical and forced to leave to preserve his health. During his physical recovery he moved to his family's farm, Rainbow Acres near Riverside, Iowa, and began his " digging in the dirt" horticulture experiments that evolved into a burgeoning pumpkin and potted herb enterprise.

By 1987, the business had outgrown Rainbow Acres and he located an abandoned greenhouse complex near Tipton, Iowa, that was built during the early 1970s hydroponic tomato craze. Golden Acres began operating in 1988 and business took off, doubling sales every year for the first seven years. Pumpkins were eventually dropped, the herbs expanded and a full range of perennials added. Over 2,000 varieties were grown, with markets in three states and over 100 stores, including Wal- Mart, Kmart, Home Depot and HyVee. Sales volume quickly topped a million dollars. He had finally found his life passion.

Nearing age 70 and following the death of a partner, Jerry sold the business in 2003 and retired to a near-perfect rural 40- acre sanctuary near Corydon in Wayne County. A failed knee replacement left him in a wheelchair and unhappily restricted his plan to once again spend his time " digging in the dirt." He did, however, find pleasure in feeding the abundant birds and wildlife that visited daily, including nightly forays from skunks, raccoons and opossums that savored the dog food he purchased just for their suppers.

Jerry's rebirth as a faithful follower of Jesus Christ 30 years ago was a life- changing transition for him; he found atonement in caring for his family and friends. During his last days he received long visits from his immediate family and soul- searching dialogues with his many spiritual counselors that resulted in his peaceful passing. He was a member of the Church of Christ, his last affiliation with the Sunnyslope Church of Christ, Promise City.

He is survived by his first wife, Gladys (Lowe) Treadway, and their children, Sherylnn Kay Houser, East Point, Fla., Larry Martin Houser, Pleasant Valley, Iowa, and Gayle Renee' Houser Bush, Coal Valley, Ill. Grandchildren include Misty Gail Parenzan, Destin, Fla., Jason Houser, Duluth, Minn., Caanan Bush, Malibu, Calif., and Brittany Bush, Newbury Park, Calif. Great- grandchildren are Travis Perry, Bryana Perry, Dilan Parenzan, Destin, Fla. Children from later marriages are Mark Elliot (Houser) Kolpek, Texas, and Jessica (Houser) Betts, Arkansas, who were adopted by their stepfathers. Also surviving are his sister, Mary Ellen Miller, Mason City; brother, David Dale (Janet) Miller, Blairstown; and faithful cousin, Charles (Mary Ellen) West, Bode.

He was preceded in death by his parents and infant son, Mark Allen Houser.

Memorials may be sent to his favorite charity, the Salvation Army, or to the Iowa Arboretum in Madrid, Iowa.

Hi Betty,

Mary Ellen sent me an e-mail that the obit had run in the Press Citizen and I had checked the obit's every day from the 21st of April when though it was going to run then she said it should have been in this week and have check Sun- Mon-Tues & Wed and his name never did come up in the list of obituaries. How would I go about finding it as would like to have a copy from that paper? I did everything I could think of on the paper site to find it and still didn't.

Maybe you could send me a copy by e-mail or even regular mail. If a charge for mailing, let me know.

Thanking you in advance.

This about the sixth time I've tried to write this thing and each time ran out of paper. A more concise version coming up. After high school I went to Iowa University to major in Chem. E. After 1st semester I realized it wasn't what I wanted. A real dilemma, I had no clue to what direction I would want to go. The search went on for nearly 35 years. During that time I had, probably 30 different jobs, three wives and six kids. I now have nine grandchildren and two great grandchildren. In 1981 I had a good job as a factory maintenance manager, been working there four years when I got overexposed to a toxic chemical and was forced to leave. In settlement, the company gave me a two year salary continuation. I used this time to go out to my folks farm and start digging in the dirt. All kinds of gardening projects, vegetables of all kinds, flowers, herbs, trees, shrubs, you name it. I was working my tail off and really loving it. I started looking at the business possibilities in things I was doing. The drought of 1983 was a big setback, I had to go back to work for a couple of years but kept plugging away on the farm in my spare time. Eventually, I decided on two items that looked most promising. Halloween pumpkins and potted herb plants. To get my foot in the door, I offered to work with retailers on a guaranteed sale basis. I would set up displays, keep them stocked, they would pay for what they sold, the rest I took back. I had no problem places to do business. In 1987 I hit the jackpot, business was fantastic, but now I had a real problem. If this business was going to grow, I had to have my own place. Luck was with me. I found an abandoned greenhouse complex, built in the early 70's to grow hydroponic tomatoes. I was told that over a half million dollars was invested in it. I bought it for \$15,000. The first year here was 1988, I managed to get one greenhouse usable, and rented 12 acres to grow pumpkins. Eventually, we got all ten original greenhouse in use and have built additional new ones until we ran out of space. We expanded the herbs into a full range of perennial flowers. over 2000 varieties in all. The potted plant business really took off. So much so, that in 1992, we had to quit the pumpkins. It had reached the point where there wasn't enough time to do both. Today we market our plants through 80 stores

mainly Wal-Mart and K-mart. Our sales volume exceeds a million dollars, and we still operate as in the beginning. If you don't sell it you don't pay for it.

Rosemary Miller

Mason City – Rosemary Miller, 88, formerly of rural Riverside, died late Saturday (Sept. 4, 2004) at her home with family at her side. Per her wishes, Major Erickson Funeral Home handled the cremation of her body.

A Celebration of Life service will be held at 2:00 p.m. Saturday, Sept. 25, at the Unitarian Universalist Society, 10 S. Gilbert St., Iowa City, with her daughter, Mary Ellen Miller, and nephew, the Rev. Charles E. West, facilitating.

Visitation will be held from 5 to 8 p.m. this Friday, September 10, at the Miller home, 803 East State Street. Memorial contributions will be dedicated to the Iowa Arboretum, a place dear to her heart and the destination of her final road trip May 14th.

Rosemary (Scherer) Miller was born Oct. 14, 1915, in rural Montgomery County, Iowa, the sixth child of Frank C. and Sidney Mae (Tenney) Scherer. Her childhood was spent on her family farms near Red Oak. She attended Wales elementary school and graduated from Red Oak High School in 1932. She survived a fall from an apple tree at age seven that left her physically handicapped and precipitated the early onset of her rheumatoid and osteo arthritis in her 40s.

An early, brief marriage left her the single mother of a son, Gerald Larry Houser, born Feb. 23, 1934. In these early years she often worked along side her father helping with his dragline and trucking businesses.

Upon receiving her Licensed Practical Nurse certification she became employed at the Iowa State Tuberculosis Sanitarium in Oakdale. She was a past member of the LPN Association.

She met her future husband, W. Dale Miller, at an Iowa City Moose Lodge dance. Following a whirlwind six-week romance, they married on Jan. 16, 1943, in Kahoka, MO, shortly before he reported for duty in Pearl Harbor, Hawaii. During the rest of that war, she lived with her family in Red Oak while working at the Montgomery County Hospital. Their daughter, Mary Ellen, was

born Nov. 5, 1943; their son, David Dale, was born on May 27, 1945.

The couple moved to Johnson County in 1950 and was engaged in farming until 1991. Rose immediately resumed working at the Oakdale Sanitarium staying until 1965 when her health forced her to give up nursing.

In 1961 she began volunteering her talents as a theatrical costumer for the Iowa City Community Theatre where she remained active for the next 30 years. She received the ICCT annual Board Award in 1968 and was the first recipient of the theater's Lifetime Membership award in 1969. For many years she also served as costume consultant for Iowa City Regina High School and collaborated frequently with University of Iowa theatrical costume designer Margaret Hall.

Despite the physical disability, she persevered throughout her life with grace and good humor, frequently defying physicians' predictions of her early demise. She was often heard to say that she was no different from others except that her handicap was visible. Following the death of her husband in 1991, she moved to Mason City to live with her daughter.

Expert in native Iowa plants and trees, she was an avid gardener, passing on that interest to her children. In her later years, she greatly enjoyed the time to pursue her favorite pastime, which was reading, often finishing books in a day. She enjoyed good mystery stories, interesting food, prairie life history, car travel, live theatre and the exceptional talent of Yo Yo Ma. She was a master at the New York Times crossword and a true and faithful friend and confidant. She will be remembered for her broadmindedness, self determination and unbounded love of her family and friends.

She is survived and lovingly remembered by her three children: Gerald Larry Houser of rural Corydon, Mary Ellen Miller of Mason City and David Dale (Janet) Miller of rural Mt. Vernon; her sister Anna Belle Walker of Iowa City; seven grandchildren, nine great grandchildren, one great-great grandchild; many nieces and nephews, including special nephew Charles (Mary Ellen) West of rural Bode; and her most beloved friend, Frances Duwa of rural Riverside.

She was preceded in death by her parents; her husband of nearly 50 years, W. Dale Miller; four sisters, twins Florence Scherer and Frances Sylvia Gard, Blanche Ailene Betts, Ellen Estelle West; and one brother Cydney Charles Scherer.

September 2002

Dear friends and family,

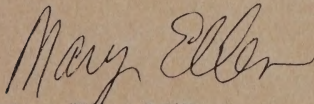

My campaign to become an **Iowa State Senator** is now in the home stretch! I won my primary election in May (fending off a last minute "right-to-life" advocate) and am now preparing for Nov. 5. This is *the* State Senate 7 seat I originally declared for before the interruption in March by a special election to fill a sudden vacancy.

I have spent the summer going door-to-door, participating in community parades and attending many church suppers and socials. This new district covers three counties and 25 communities. I have received a lot of support with over 100 volunteers helping on the campaign and have spent nearly 400 hours door-to-door. Enclosed is a copy of my latest brochure which a photo of me and Rose taken during Mason City's June Band Festival. She loves to ride along when I go door-knocking.

I am now in the last few weeks of the campaign and **need to raise a final \$10,000**. It will be spent on direct mail and newspaper and radio ads. I have made the decision to NOT do any annoying television ads nor any automated telephone messages and, also, will NOT do any negative ads about my opponent.

I very much appreciated your wonderful support earlier this year during the special election. That money greatly helped raise my name ID in Mason City and paid for the 1,000+ yard signs which we are using again this fall. I now need your support for this last part of my campaign. **I hope you will send whatever you can to help my effort to become a "voice of reason" in the Iowa statehouse!**

Fondly,

Mary Ellen Miller

P.S. Time is of the essence. I have enclosed a return envelope, please consider mailing your check today.

Husband	Charles Lee "Chuck" Treadway
Wife	Gladys LaVon Lowe *
Notes	HUSBAND - Charles Lee "Chuck" Treadway Soc Sec # 358-24-8272 He went by Charlie to his family and his friends and co workers called him Chuck. Chuck was born in Cass Co. IL on a farm. His parents moved around different places in Cass and Fulton Co's when he was young. He was 14 when his father died and he was the oldest at home so he had to help with the family. He went into the Army in 1951 and was married first in 1953 and he and his wife traveled thru their 11 years of marriage. She died in 1964. They had no children. He was stationed at the Rock Island Arsenal at that time. we met thru a mutual friend and married in 1965. We had no children. Chuck was in Korea shortly after he went into service then was in Viet Nam three times for short periods and then 1 year tour and in Santa Domingo, as well as other places. He had one tour in Germany and 5 years at Ft Hood, TX before he was married the 2nd time then he was in Germany again for 2 years and Aberdeen, MD 2 years before retiring after 20 years. He had a high classification and secret clearance for many years. A lot of the work he did was highly confidential and he went to several undisclosed places. He was an instructor the first time in Texas and the second tour of Germany also. He was asked to take Warrant Officer while in Germany the last time and knowing he would be going to Viet Nam he decided to go as an officer, which was much better duty. He was in the Armament at the Rock Island Arsenal and traveled for them several places. He received the Purple Heart and 3 Comendation Medals besides numerous other awards. After retirement of 20 years in the Army he opened the Treadway Texaco service station in Bettendorf and later had two semi trucks as well. Then in 1976 he had to have back surgery and wasn't able to work after that. He sold the station and the trucks. 1978 we decided to move to Texas where the weather was a little warmer and also be closer to Ft Hood hospital. After 3 months in the hospital he was able to walk pretty good with the help of a cane then slowly he wasn't able to get around as well so started using a three wheel mobility scooter and by 1988 he wasn't able to walk at all. We decided it was time to move back to Iowa as he wasn't able to travel by then any distance at all so put the house up for sale and I came back to find one here. They were very limited but did find one about 5 blocks from Mom's which wouldn't require a lot of remodeling so moved back to Bettendorf on July 5, 1989. By now Chuck wasn't able to ride very well and that trip was rough. The last couple years have gotten worse as he can't ride in the van at all without it bothering his back so much that he says it isn't worth it. So only goes when he has to like the Dr's. He spent 10 days in the hospital in June 1993 and luckily came out of that all right but he is a long time getting back to normal. That was the first time he had been in the hospital since he had surgery so guess that isn't too bad. His blood platelet count had gone down to 1000 and it is suppose to be 150,000. He had kidney infection for the past year and they were treating him for that and it is believed the medication he was taking was the cause. He is still having to fight that and other medications are not agreeing with him but so far he is holding his own. He got interested in computers back in 1983 when they were first getting popular and at first he was able to work at it quite a lot but lately it bothers his back to be in the chair and have to transfer from chair to scooter so he doesn't work at it so much now. He has a lift chair which he uses most of the time and that has helped. 1997 he spent 3 months in the hospital first for blood infection then trying to get over an open wound he had for several months before. They were going to have to do plastic surgery on the wound which was on his hip and it just never healed. After surgery he started going downhill as just wasn't able to sit up much after that and it took a long time for the wound to really heal. Then in Sept he had pneumonia and was in the hospital for a week. They began to feel some better. 1998 Was feeling better at start of the year but week before the 3rd of Mar he said he wasn't feeling too well and stayed in bed most of the week but by the 2nd he was up and said felt better then when I went in to wake him up for his coffee the morning of the 3rd he was gone. They believe probably just from his heart giving out.

WIFE	- Gladys LaVon Lowe *
I was born on a farm just outside Kirksville, MO belonging to my grandparents, Henry and Laura (Thompson) Lowe, where my parents were living at the time. Sadly there is nothing there but the land now. All the buildings have been torn down several years ago. My next home was on a farm near Bullion, Mo which wasn't far from my grandparents farm. My brother was born there and we lived there until 1940. My dad was on the School Board there and the school was close to us so I started kindergarten there, even though I wasn't 5 years of age yet. The summer of 1940 we moved to Rock Island, IL where my Dad thought he maybe could get a job. Making a living in MO was hard so thought it would be better in Rock Island. We lived about three places while there. I started first grade there, even though the school said I should be in kindergarten, they let me go. My mother told them if I couldn't do the work they could put me back but they didn't have to. My Dad got a job at the Sturdevant Dairy and worked there until 1945. In 1942 we moved to a farm near Hillsdale, IL where he farmed and also worked at the Dairy plant. March 1945 we moved to a farm near Maysville, IA where my Dad farmed on the shares with Mr Art Meints. We went to the Allens Grove Twp. school, which was a one room school taught by Mrs Edna Spies. Probably one of the best teachers I ever had. We kept in touch until her death in the 1980's. March 1948 we moved to what was then Iowana Farms, now part of Riverdale, across from the Alcoa plant outside Bettendorf. Dad farmed some ground owned by Iowana Farms and then he went to work for them at their Dairy plant in Bettendorf. I went to school at the Riverdale school across the road from Alcoa the last part of the 7th grade and all of 8th grade. Then I took a bus to J.B. Young Junior High School in Davenport for 9th grade which was in 1949-1950, located at Locust and Harrison Streets. Several students went to Sudlow in Davenport but I decided to go to J. B. I went to Davenport High School (now Central High) 10-12th grade and graduated from there in 1953. (Just had our 40th year reunion Aug 1993) (50th reunion in Sep 2003). It was located at 12 and Harrison Street. At this time they found out I had a heart murmur so didn't take gym thru high school. Probably had it since I had scarlet fever when I was young. I left home after graduation and worked at different jobs in Davenport and lived with a girlfriend until we decided to join a group selling magazines to California and I decided to marry one of the guys on the trip in Las Vegas and came back to Davenport, which was a big mistake. It lasted less than a year and then I divorced in Jul 1954. We had a son, Aug 1954 who I gave up for adoption as wasn't able to care for him as we had divorced by then. There was

just no living with that man. Probably because we didn't know each other very long and when we got back to Davenport and found an apartment he became so jealous that I couldn't even talk to my brother and barely could leave the house because he would think I was having an affair with every man I saw so by early part of the year I know it wasn't going to work so I left and went back home and worked at Bettendorf Sheep Metal works as secretary for Doc Wingert till Aug then had the baby and then went to Missouri to spend a week with my cousin then came back and went to work at the T.B. Sanitarium at Oakdale, IA, just outside Iowa City then.

The marriage, well have to go back, the idea to go with this group was Probably the most stupid thing I ever did because Anna Boyles, who I was rooming with wanted to go and so I agreed so that was probably the 1st mistake, but you live and learn by your mistakes I guess. We had a nice apartment and both was working but guess thought we needed more excitement. Which back then even selling magazines door to door was not the thing to do, better then today but should have know better then even. I was trying to figure out a way to get back home at the time and then Joe started paying attention to me instead of Anna and then wanted to get married and come back home so thought was my way to get home I guess so we went to Las Vegas and got married then came back to Davenport. Looking back I didn't know very much about Joe and know he didn't know much about me as should have got an annulment when we got back but thought would try to make it work.

I met my second husband there (Oakdale TB Sanitarium at Oakdale, IA) and we married a year later in Iowa City and stayed at the hospital for a while and in 1956 moved back to Davenport, IA. We had 4 children, all four being born in Davenport. We lived several places in Davenport until 1964 when we separated and divorced. I stayed in Davenport and went to work to raise the children, with the help of my parents and none from their father. In 1959 I had my gall bladder out but have had no problems since. After last child in 1962 found out Jerry wanted to move to Des Moines to work and I didn't want to leave this area since knew his background on jobs. So he went and found a lady he liked so I said that was it and we divorced. He remarried and had a child and divorced her and married again and had another child then about that time he came back to Iowa City then to Tipton and opened up a green house and ran that for few years and made good money at it till his leg started hurting then decided to buy a place in Corydon IA and sold the greenhouse and lived there for short while as leg bother him and had surgery then everything went down hill as he got infection in it right after surgery and in years time he had cancer through out his body and Mary Ellen took him to Mason City and Sheri came from FL and Gayle and I went to visit him at the last 15-16 April 2008 and we left on the 17th of Apr and he died that morning.

Mary Ellen had a memorial in Iowa City for famiy and friend and Gayle and Terry an I went to that. about a month or two later. He gave Mary Ellen the farm in Corydon and left me money and set up anunity for the girls for 10 years but belived Larry was and had been on drugs so didn't leave him anything believing he would spend it all on drugs but he wasn't on drugs at that time. So I gave him some of money Jerry gave me to help him out.

By Dec 1964 my luck had changed, through a mutual friend I met my third husband and every thing just seem to click. Third time a charm and all that. Chuck had just lost his wife and he was stationed at the Rock Island Arsenel, and was a Sargent in the Army at that time. He had been in the Army for 14 years by then. He had no children and took to my three right off and they to him. We decided to get married in April and friends of ours wanted the wedding at their house so we were married on Dixwell Street in Davenport at the home of Jim and Fern Beach. Carl and Carol stood up with us. (Strange twist- Jim and Fern divorced and Fern went to Florida and Jim went to NM and Carl and Carol moved to Arizona and were later divorce. All remarried). We just celebrated 28 years of marriage in 1993. We would have been married 33 years liking one month when he died in Mar 1998.

We went to Springfield, MA for our honeymoon, as Chuck had to go there on business for the Army. It was the first time I had flown and like my Dad I wasn't found of it either. I have had for many years a tendency to have motion sickness and several things bother me, flying one of them, high places another. Since then have flown a few times and take Draminine and it does help.

We bought our first home on W. 69th street in Ridgeview addtion in Davenport in 1965 then by Feb 1966 we were on our way to Germany. Chuck had been transfered to the Army base at Friedberg, Germany for a three year tour. We went to Germany on the ship "USNS Gieger". We left NJ and after 9 days on the ship we arrived in Bremerhaven port in Germany. We had the car on the ship with us so we picked it up and both got our German drivers licence and drove to Friedberg, Germany. Again the first few days on the ship were terrible but then someone told me to see the Dr and get some Dramimine which would help and so the last 5 days were very enjoyable. Sheri and Gayle weren't feeling too well the first few days but they got over it shortly. Didn't bother Larry at all. So all enjoyed the trip.

There wasn't any vacant apartments on the post available at the time we arrived there so we rented an apartment on the German economy in a little town of Steinfurth, which was just outside Bad Nauheim, a few miles from Friedberg, for a few months then we moved into Quarters in Bad Nauheim. the area around there and Frankfort was quite pretty and we all really enjoyed it. Gayle started kindergarten there.

HUSBAND - Charles Lee "Chuck" Treadway
Soc Sec # 358-24-8272

He went by Charlie to his family and his friends and co workers called him Chuck.

Chuck was born in Cass Co. IL on a farm. His parents moved around different places in Cass and Fulton Co's when he was young. He was 14 when his father died and he was the oldest at home so he had to help with the family.

He went into the Army in 1951 and was married first in 1953 and he and his wife traveled thru their 11 years of marriage. She died in 1964. They had no children.

He was stationed at the Rock Island Arsenal at that time. we met thru a mutual friend and married in 1965. We had no children.

Chuck was in Korea shortly after he went into service then was in Viet Nam three times for short periods and then 1 year tour and in Santa Domingo, as well as other places.

He had one tour in Germany and 5 years at Ft Hood, TX before he was married the 2nd time then he was in Germany again for 2 years and Aberdeen, MD 2 years before retiring after 20 years. He had a high classification and secret clearance for many years. A lot of the work he did was highly confidential and he went to several undisclosed places. He was an instructor the first time in Texas and the second tour of Germany also. He was asked to take Warrant Officer while in Germany the last time and knowing he would be going to Viet Nam he decided to go as an officer, which was much better duty. He was in the Armament at the Rock Island Arsenal and traveled for them several places.

He received the Purple Heart and 3 Comendation Medals besides numerous other awards.

After retirement of 20 years in the Army he opened the Treadway Texaco service station in Bettendorf and later had two semi trucks as well.

Then in 1976 he had to have back surgery and wasn't able to work after that. He sold the station and the trucks. 1978 we decided to move to Texas where the weather was a little warmer and also be closer to Ft Hood hospital. After 3 months in the hospital he was able to walk pretty good with the help of a cane then slowly he wasn't able to get around as well so started using a three wheel mobility scooter and by 1988 he wasn't able to walk at all. We decided it was time to move back to Iowa as he wasn't able to travel by then any distance at all so put the house up for sale and I came back to find one here. They were very limited but did find one about 5 blocks from Mom's which wouldn't require a lot of remodeling so moved back to Bettendorf on July 5, 1989. By now Chuck wasn't able to ride very well and that trip was rough.

The last couple years have gotten worse as he can't ride in the van at all without it bothering his back so much that he says it isn't worth it. So only goes when he has to like the Dr's.

He spent 10 days in the hospital in June 1993 and luckily came out of that all right but he is a long time getting back to normal. That was the first time he had been in the hospital since he had surgery so guess that isn't too bad. His blood platelet count had gone down to 1000 and it is suppose to be 150,000. He had kidney infection for the past year and they were treating him for that and it is believed the medication he was taking was the cause. He is still having to fight that and other medications are not agreeing with him but so far he is holding his own.

He got interested in computers back in 1983 when they were first getting popular and at first he was able to work at it quite a lot but lately it bothers his back to be in the chair and have to transfer from chair to scooter so he doesn't work at it so much now. He has a lift chair which he uses most of the time and that has helped.

1997 he spent 3 months in the hospital first for blood infection then trying to get over an open wound he had for several months before. They were going to have to do plastic surgery on the wound which was on his hip and it just never healed. After surgery he started going downhill as just wasn't able to sit up much after that and it took a long time for the wound to really heal. Then in Sept he had pneumonia and was in the hospital for a week. They began to feel some better.

1998 Was feeling better at start of the year but week before the 3rd of Mar he said he wasn't feeling too well and stayed in bed most of the week but by the 2nd he was up and said felt better then when I went in to wake him up for his coffee the morning of the 3rd he was gone. They believe probably just from his heart giving out.

I. GENERAL EDUCATIONAL DEVELOPMENT TESTS

The high school battery consists of five tests:

1. Correctness and Effectiveness of Expression
2. Interpretation of Reading Materials in the Social Studies
3. Interpretation of Reading Materials in the Natural Sciences
4. Interpretation of Literary Materials
5. General Mathematical Ability

The college battery consists of four tests entitled exactly the same as the first four (4) tests in the high school battery, but geared to first year college level difficulty.

Examinees who fail to make a standard score of 35 on each part of the high school GED test or an average standard score of 45 on the entire battery may be retested on any part or on the entire battery. The first retest may be taken six months after completion date on the entire battery. The second retest on any part or parts may be taken one year after completion of the first retest on that part or parts.

Examinees who have not met the minimum standard scores of 55, 60, 61 and 57 on parts 1 through 4 respectively, on college level GED tests may apply for a retest on any unsatisfactorily completed part six months after completion of the first testing on that part. The second retest on any part may be applied for one year after the date of the first retest on that part.

Standard score is a mathematical interpretation of the number of correct answers which enables comparison of achievement in one field with that in any other field. Percentile is the figure which indicates the achievement of an examinee as compared to the achievement of a standard group of 100 tested in the standardization program of the test. A percentile rank of 38 indicates that the person's score was better than the scores of 38% of the students who took the tests at the time they were standardized. When the standard score and U. S. percentile for a high school GED test is reported as 00-00, this indicates that the examinee's test performance was very low, i.e., approximately 1% of all examinees obtained a higher test score.

II. END-OF-COURSE TESTS are based upon USAFI courses.

One retest for examinees who fail an end-of-course test is authorized. If the examinee was not enrolled in the course when he failed the original test, he must enroll before taking the retest. Enrollment is construed to mean enrollment in the course either with USAFI or in a group study class. If he was enrolled in the appropriate course when he failed the original test, he may take one retest when he has done additional work in the course and when his I&E Officer has recommended a retest to USAFI.

III. SUBJECT EXAMINATIONS are not based specifically upon USAFI courses, but are designed to measure knowledge of high school or college subjects regardless of the source of that knowledge.

Two retests are permitted for examinees who fail a subject examination, the first one six months after original testing, the second, one year after first retest.

IV. REPORTING SERVICE. USAFI is authorized to forward official reports of USAFI educational achievement to civilian schools at the request of the examinee, the civilian school or agency, or the military. Details on how to request such an official report and limitations on reporting will be found in the current edition of the USAFI Catalog.

(Do Not Return to County Superintendent)

INSTRUCTIONS FOR APPLICANT

1. **APPLICATION**—An applicant for the Illinois High School Equivalency Certificate must have maintained residence in the State of Illinois for at least one year immediately preceding application, and must be twenty-one years of age or over at the time of testing. Application must be filed in the County in which the applicant has maintained residence. Minors may be tested for other purposes. (See No. 9 below.)
2. **FEES**—The \$5.00 fee for testing must accompany the application which will permit candidates to take the Tests of General Educational Development. Do not remit the additional fee of \$5.00 for the issuance of the High School Equivalency Certificate until you are advised to do so by the County Superintendent. *(Do not send application or fee to the State Superintendent or an official testing Agency.)*
3. Servicemen and other adults, who have taken the official GED Tests at approved Agencies, do not remit the \$5.00 fee for the Equivalency Examination. Application, (Form 10A), for the High School Equivalency Certificate and official GED Test Report should be sent to the County Superintendent of the county of residence. If qualified, the County Superintendent will request the payment of \$5.00 for the issuance of the Certificate. *(Only Test results administered after the applicant's 21st birthday will be recognized. Test results from USAFI, official VTS Agencies in other States, or VA Hospitals will be acceptable.)*
4. Applicant for the GED Tests will be notified where and when to report for the examination. Failure to report as scheduled will result in forfeiture of fee unless the Official Testing Agency is advised within forty-eight (48) hours of cancellation of appointment. The testee will then be assigned another testing period. When the candidate appears for the examination he will be required to sign in the presence of the proctor to establish his identity.
5. The examination is a battery of five tests called the Tests of General Educational Development. Each of the five tests will require about two hours to complete. No examinee shall be permitted to take more than three tests in one day; two days are required for testing. *(Only results from secure forms are acceptable. Form B results are not acceptable for accreditation.)*
6. All tests will be scored under the direction of the Agent of the Illinois official Veterans' Testing Service Agency. An applicant who has achieved the minimum standards as established by the Superintendent of Public Instruction shall be notified in writing by the County Superintendent and upon the payment of \$5.00 by the applicant, the County Superintendent shall issue the High School Equivalency Certificate.
7. **RETESTING**—An applicant who fails to make the required scores on the GED Tests may ask to be retested on the entire battery or tests failed. A year waiting period is required before GED retesting unless the applicant presents to the County Superintendent evidence of having completed a formal program of studies related to the test to be retaken. A request to the County Superintendent for a reexamination accompanied by official evidence of such instruction is sufficient. An applicant who fails the Constitution Examination will be permitted to review the subject and subsequently be retested. If he fails the retest he must wait one year for a reexamination, unless he presents evidence of having completed formal instruction.
8. Official Veterans' Testing Agencies have been established throughout Illinois to test: (a) eligible applicants for the Illinois High School Equivalency Certificate; (b) applicants who cannot qualify for a High School credential, such as those examinees who desire test results for college admission, Armed Forces enlistment; or out-of-state accreditation. The County Superintendent will advise the applicant which Testing Agency serves the specific county.
9. County Superintendents will approve applications from minors and adults, who present letters from Agencies in Illinois and outside the State, authorizing the applicant to take the GED Tests for purposes other than Illinois High School accreditation. Such letters from a college, business, or Armed Forces should accompany the application. If the applicant is requested to take the GED Tests by such an Agency the test report will be forwarded to the Agency for its own evaluation.
10. **CONSTITUTION EXAMINATION**—Each applicant for an Illinois High School Equivalency Certificate must also pass a satisfactory examination upon American patriotism, and the principles of representative government, as enunciated in the American Declaration of Independence, the Constitution of the United States of America, and the Constitution of the State of Illinois, and the proper use and display of the American Flag, as provided in Section 27-3 of the School Code. Illinois Official Testing Agencies shall administer the Constitution Examination at the time of GED Testing. Qualified Illinois adults who apply for the High School Equivalency Certificate and who have passed the GED Tests, may take the Constitution Examination at an Official Testing Agency or the County Superintendent's Office. If the applicant cannot appear in person, i. e. serviceman, he must advise the County Superintendent of the name and address of his Commanding Officer, Education Advisor, or a school official, who will agree to administer the examination under secure conditions and return to the County Superintendent for evaluation. If the applicant fails the Constitution Examination he may be retested under certain conditions as explained in paragraph 7 above.

(1st OLC) and the Republic of Vietnam Cross of Gallantry with Palm Cluster.

After his military career, he opened a service station on Grant Street in Bettendorf, known as Treadway Texaco, which he operated until 1978, when he fell, injuring his back, and was unable to work any longer.

He enjoyed his family and friends, especially his brother-in-law, Charles E. Lowe, who helped him a lot as he was not able to do a lot of the things he liked to do. Charles was always there when needed. He also enjoyed reading and working on the computer and was a member of the QCS Computer Club.

They are not lost who find
the light of sun and stars and God.

Rest In Peace

*The Lord is my shepherd:
I shall not want. He maketh
me to lie down in green pas-
tures: he leadeth me beside the
still waters. He restoreth my
soul: he leadeth me in the
paths of righteousness for his
name's sake. Yea, though I
walk through the valley of
the shadow of death, I will
fear no evil: for thou art
with me; thy rod and thy
staff they comfort me. Thou
preparest a table before me
in the presence of mine
enemies: Thou anointest my
head with oil; my cup runneth
over. Surely goodness and
mercy shall follow me all
the days of my life: and I
shall dwell in the house
of the Lord for ever.*
